“REACHING AROUND THE WORLD WITH THE WORD”

Psalm

118:22-23

“The stone the builders rejected has become the cornerstone; the Lord has done this, and it is marvelous in our eyes.”

The birth, life, and message of our Savior did not fit with the expectations of the religious authorities. Although Jesus was rejected by the religious leaders of His day, He was and is God's great plan of redemption for His lost and dying humanity.

India: In 2018, Pastor Edwin moved his young family hundreds of miles from their home to a small, unreached village in Haryana state, India. He and his wife, Deepthi, began holding Bible studies and church services in their new home, and a small church was formed. They decided to hold vacation Bible school and knocked on doors, inviting the neighboring villagers to attend. The church soon outgrew their home and is now meeting in a tailor shop.

Thanks to your sacrificial giving, they were able to purchase land for a new bore well and church building. They are excitedly waiting for the surveyor to do measurements so that they can begin laying the boundary stones and digging the well.

Pastor David is awaiting approval by the planning department in Nagpur to build a new prayer house there. The new church being built in memory of Brother Herb Stewart in Sriviliputhur is still waiting for final inspection. There is also an unfinished prayer house in the village of Mambakkam in Chennai that needs flooring, septic, plumbing, windows, doors, and paint. Pastor David plans to make the 13 hours trip there once per month to hold prayer meetings in the prayer house.

All of the New Harvest churches in Tanzania and surrounding nations celebrated children's day on the 3rd Sunday of January. The children are honored as the gifts from God that they are. What a beautiful celebration of God's young blessings.

The children were the guests of honor on this day of celebration.

They paraded around the church with Pastor Laban, then gathered at the front.

This young man delivered a powerful sermon.

Songs of worship and dances of praise.

The agricultural project continues to expand, providing income for many New Harvest pastors.

We were able to ship 11 boxes of donated bed pads, gowns, caps, scrubs, and other medical supplies to the dispensary in Mpanda in January. The dispensary staff are grateful for these gifts that will help them provide needed medical care to the community.
