“REACHING AROUND THE WORLD WITH THE WORD”

Isaiah 40:9

“You who bring good news to Zion, go up on a high mountain. You who bring good news to Jerusalem, lift up your voice with a shout, lift it up, do not be afraid; say to the towns of Judah, “Here is your God!””

We travel across the oceans to share the Good News. We announce it in the valleys of Africa. We shout it from the hills of India. We proclaim it on the shores of Cuba. Your partnership means that you send this Good News, the life and love of our Lord, Jesus Christ, to the hungry hearts who are waiting to hear it.

Tanzania: The agricultural project is growing quickly with great income potential. The goal is to produce sufficient harvest to help support the pastors and the expanding work of the ministries-Funds are still needed to continue the current planting season and help clear more land for cultivation.

Pastor Laban held a healing service on Sunday, December 15, 2019 at his church in Mpanda. Chains were broken and hearts and bodies were healed. Praise the Lord for His great love displayed through healing by the Holy Spirit!

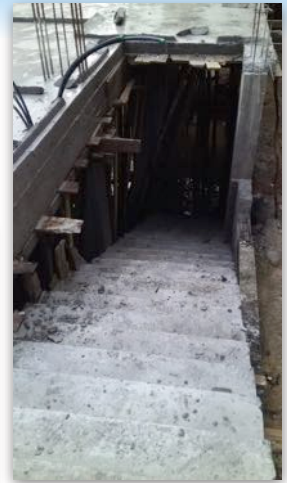

India: Faith In Action Ministries has completed the first phase of conference grounds construction with \$15,700 that they raised through their local churches. They will need approximately \$15,000 more to complete the second phase of construction. This would cover plastering, tiles, plumbing, electrical, grill works, and a separate kitchen.

The orphans are doing well in school and are growing in their faith. They enjoyed their Christmas vacation from December 24-January 6.

Pastor Emmanuel oversees the Elizabeth Day school. They are experiencing persecution from a religious political party that does not want them to hold worship services in the school. Please pray for the hearts of the persecutors to be changed by the love of Christ.

Pastor David was blessed to worship with this church on December 8. There were several visitors that day who heard the Word of God.

Pastor Edwin has also found part-time work as an English teacher at a local school to help support his family and the ministry.

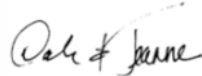

The purchase process for land for Pastor Edwin's church at Haryana (pictured left) is proceeding. Once completed, they will measure and begin drilling a well. After the well is completed, they will begin construction on a prayer house. This young church currently meets in a tailor shop that belongs to a church member.

India Cont'd: Pastor David and the Gilgal Boys' Home is grateful for your sacrificial giving to help them purchase a new bus. The first bus that they found did not meet all of the requirements, so they are looking for another one. Please pray that they find another affordable bus for the boys.

Projects: Here are some projects available for your church or group to adopt:

Elizabeth School upper floor	\$15,384
Ministry vehicle for Pastor Laban	\$6,000

Sixteen-year-old Paramesh lives in the Gilgal Boys' Home in India. His hobbies are playing Kabaddi and Cricket. He plans to be a soldier one day. His favorite Bible verse is Psalm 47:7, "For God is the King of all the earth; sing to him a psalm of praise." Thank you for providing for Paramesh, giving hope for his future.
