*"REACHING AROUND THE WORLD WITH THE WORD"*

*Luke 18:16*

*"Let the little children come to Me, and do not hinder them, for the kingdom of God belongs to such as these."*

**Our orphanages provide the basic physical necessities for children who would otherwise be without. Our schools provide an education that allows children to reach their full, God-given potential. Both bring these young souls to the feet of Jesus through the sharing of the Gospel.**

*India:* Last month, the Indian government began to allow churches to open with social distancing, recording and vetting guidelines to be met. However, state regulations can vary. Tamil Nadu extended the lockdown to June 30 while churches in Kerala were opened. Some areas experienced a reduction in COVID 19 cases but others, like Chennai, continued to see an increase.

The Sriviliputhur Church, which was built in memory of Brother Herb Stewart, was painted last month.

Pastor David recently serviced the Riddick and Lusk bore wells. They are running smoothly and providing plenty of fresh, clean water for the villagers.

The grill work is almost completed on the conference center. There is an immediate need for plastering because rain leaks through the wall into the hallway. Please pray for this need.

Pastor Edwin has built the foundation for a new prayer house and fencing foundation around the property at Odan, Haryana. He is also installing a hand pump and holding tank for fresh water.

*Tanzania:* In December of 2018 heavy rains caused the collapse of several homes, as well as a stick and straw built New Harvest Church in the Nyargusu Refugee Camp, where over 300 Christians worshiped at that time. With your sacrificial support, they were able to rebuild with brick, making it strong enough to withstand the heavy rains that the country experiences each year.

This church continues to grow! They now have an audio recording studio and, at the end of June, the youth of the church were busy making bricks to build church offices. They have also planted 200 young trees for environment conservation.

It is time for the maize (corn) harvest. The maize will be sold to provide support for the NHMI Tanzania pastors and ministries.

The annual youth conference has been canceled.

There are sixteen NHM churches in the Mara region of Tanzania where the Serengeti National Park is located. The church family has outgrown one of the church buildings and they have begun building a larger church. Pastor Laban supports them when he can, but they do most of the work themselves.

*Mark your calendar!* Our annual Fall Harvest Happenings will be held on Saturday, September 12, 2020. Meet us at the City On A Hill conference room, entrance A, at 6:30 p.m. for light refreshments. At 7:00 p.m. we will give a ministry update and rejoice over the harvest that is taking place around the world. RSVP to (616)748-8888 or newharvestmin-

*Projects:* Here are some projects available for your church or group to adopt:

Tanzania Ministry Vehicle	\$6,000
Prayer House at Odan	\$9,500

**M. Muthu Raj**

Eleven-year-old Muthu Raj lives in the Gilgal Boys' Home in India. He enjoys playing Tag and Kabaddi. He dreams of becoming a police officer when he grows up. His favorite Bible verse is Psalm 135:5 "For I know that the Lord is great, and our Lord is above all gods." Thank you for giving Muthu Raj a home and hope for his future.
