*India:* The lockdown in India was extended to July 31, closing the borders of the districts and keeping all schools closed. People are not allowed to cross borders without an e-pass, which is only granted in cases of marriage, illness or death. Even though the government gave churches permission to open, Tamil Nadu still forces complete lockdowns on Sundays, preventing businesses and churches from opening. Pastor David’s church meets before dawn on Sundays and then his family returns to the boys’ orphanage to avoid persecution. They also hold prayer meetings on other days. Pastor Emmanuel’s church in Dehradun is also experiencing challenges from their neighborhood for conducting meetings. Please pray for these churches.

Pastor David continues to financially support the orphans through the guardians that they are staying with during the lockdown until they can return to the orphanage. The 10th and 12th grade orphans have begun online classes and this option is being discussed for the other orphans. The 5th grade students at the Elizabeth Day School are also currently taking online classes.

All of the bore wells are being maintained and pumping plenty of fresh, clean water for the people of India.

A local family generously saved and donated \$4,000 to drill a new well in India! Pastor David is looking for a village for this new well.

*Tanzania:* The health clinic/dispensary was opened in Mpanda at the beginning of last year by a New Harvest Bible College graduate who also attended medical school. The pandemic did not negatively effect its growth or ability to assist the villagers. They are now constructing a new building to act as a maternity ward.

The newest New Harvest Church in Arusha, Tanzania, held their first open air festival July 22-26. Every day, they worshiped the Lord in song, dance, and sharing the Word. Before the festival was half over, 23 people had given their lives to Christ.

The house in the photo below on the left belongs to Bishop Muna, who oversees 26 young New Harvest churches in Arusha near Mt. Kilimanjaro. Pastor Laban has decided to join the 26 churches in helping Bishop Muna build a stronger, safer house. He has sent him 800,000 shillings (approx. \$344 U.S.D.) to begin collecting stones and rocks for the foundation. The photo on the right is one of the new young churches that Bishop Muna oversees.

Pastor Laban has purchased these blocks that will be cemented into a floor for the machine shop.

*"...to look after widows and orphans..." James 1:27*

Twelve-year-old Siva lives in the orphanage in India. He enjoys playing Kabaddi, Cricket and soccer. He plans to become an engineer when he grows up. His favorite Bible verse is Luke 1:30, "Then the angel said to her, 'Do not be afraid, Mary, for you have found favor with God.'" Thank you for helping him see the Lord's favor on his life.
