“REACHING AROUND THE WORLD WITH THE WORD”

Psalm 33:20

“We wait in hope for the Lord; He is our help and our shield.”

Those of us who hope in the Lord have help and a shield of protection during these challenging times. Your partnership helps us share the Gospel of Jesus Christ with more and more souls, helping them establish their eternal hope in the Lord.

India: Last month, Pastor Emmanuel in Dehradun held his first prayer meeting in his home since the pandemic. After the meeting, a neighbor who has protested his meetings in the past arrived with members of the news media and became violent with a young member of the church. They also accused Pastor Emmanuel and the day school of violating anti-conversion laws. They

questioned Pastor Emmanuel regarding these accusations and have released the video on the internet. Now the accuser is circulating a petition to close the school. Please pray that these accusations will not negatively effect the school, that the faith of the new believers will not waver under the pressure of this persecution, for the safety of these believers, and for the hearts of the persecutors to turn to Jesus.

Pastor David is constructing the foundation to add a bedroom and restroom to the boys' orphanage. This will make it more comfortable for guests. He also plans to hold baptisms at the orphanage baptismal tank for three new believers. Praise the Lord!

Boys' Orphanage

The orphans are still in the custody of their guardians and doing government-organized online school from their guardians' homes. The school staff must call the children every week to counsel and encourage them, and prepare the weekly report for the authorities. Pastor David hopes to see a relaxation of the lock-down restrictions soon so that they can bring the children back home to the orphanage and reopen the school.

Tanzania: Pastor Laban and two other pastors had to cancel their trip to the mission field in the Nyargusu refugee camp last month due to continued pandemic lock-down requirements. However, Anna was still able to lead a group of five to the Burundi conference from September 20 to October 6. Pastor Ahadi, one of the pastors on Anna's team, blessed the Burundi church with some electrical equipment and installed it while they were there. The church now has electricity and some new sound equipment.

Some Burundian soldiers provided some army-owned tents to provide shade for the attendees of the conference. One of the soldiers is a member of the church and posed for photos with members of Anna's team.

The NHM Bible College in Tanzania has produced 1,246 graduates since their first commencement in 2006. There are branches of the Bible College in nine different cities in Tanzania. These graduates hold various ministry roles within the 95 NHM churches scattered throughout Tanzania and surrounding African nations. One of the graduates started and runs the medical dispensary in Mpanda. Thank you for supporting this invaluable ministry that continues to produce workers for the harvest.

Agricultural Project: The agricultural project in Tanzania continues to flourish. Onions were recently harvested and another crop of corn will be ready soon.

Reaching Around the World with the Word.

Ellaya Bharathi turned 17 years old on the 19th of September. He plans to become an engineer. He enjoys playing Kabaddi, cricket, and soccer with his "family" at the orphanage in India.
