Tanzania:

Pastor Laban has purchased an air compressor and power washer for the machine shop. The power washer will allow them to wash the vehicles that they repair and the farm equipment that they recycle. They plan to open for business very soon.

There are currently 95 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and Democratic Republic of Congo, and the ministry continues to grow. Pastor Laban needs to purchase a ministry vehicle that will allow him travel to these many church locations. Please pray for this ministry need.

Pastor Leadership Seminar

Open Air Meeting

Pastor Leadership Seminar

Pastor Laban is finalizing the plans for the Annual Conference to be held October 14-18. They will hold daily pastor seminars and open air meetings in the evenings, reaching thousands of lost souls with the Gospel. He anticipates at least 300 leaders to attend the pastor seminars, including 23 new pastors of churches that were birthed since last year's conference. Please pray for safety and a powerful moving of the Holy Spirit.

Tanzania Cont'd: Pastor Laban will spend September 12-15 ministering to the five New Harvest churches in the Nyargusu refugee camp. Two of these churches are Burundian and three are Congolese. Then on September 25, Anna will travel to Burundi and minister at their yearly conference for a week.

India: Pastor David Varghese and Faith in Action Ministries were able to purchase this van with the funds that you raised. They also purchased a large three-wheel auto-rickshaw. This will allow them to drive to other villages to service the bore wells and transport the orphan children to school.

Faith in Action Ministries has applied for permission to move the children 6th grade and higher back to the campus. The government has started online classes for the 8th and 10th grades. The nearest cable connection is two km away from the orphanage, so Pastor David installed a dish antenna, allowing them access to classes at certain times of the day. Installing a cable connection would allow 24/7 access, but would be more costly. Please pray that the dish is sufficient for the orphan children to complete their classes, or for the funds to install the cable connection.

"...to look after widows and orphans..." James 1:27

Each child needs food, clothing and shelter.
Each child needs family, friendship and guidance.
Each child needs love, comfort and hope.
Each child has a past, a future and a dream.
Each child has lost their earthly parents.

Thanks to your sacrificial giving, each child has all
of their physical and emotional needs met, and the
love of Jesus lighting their way.
