“REACHING AROUND THE WORLD WITH THE WORD”

Matthew 9:38

“Ask the Lord of the harvest, therefore, to send out workers into His harvest field.”

As supporters of New Harvest Ministries Int'l, you not only pray for workers. You train workers, send the Gospel into the field through those workers and build churches for the harvested souls. You are indeed the hands and feet of Jesus. Thank you for partnering with us to bring in the harvest.

Tanzania: Tanzania is holding their General Election on October 28, so Pastor Laban moved the annual conference to November 4-8. He will send an update and pictures as soon as possible. He expects at least 300 attendees. Please pray protection and good health over the gathering, and for a powerful moving of the Holy Spirit.

2019 Annual Conference.

The annual conference will conclude with the New Harvest Bible College commencement on November 8, 2020. Forty-one students will receive certificates for completing three trimesters of classes and 41 more will receive diplomas for completing five trimesters. This brings the total number of graduates to 1,328.

2019 Bible College commencement.

Pastor Laban was blessed to be able to purchase new ceiling tiles for his church. Pastor Ahadi, who was part of the team that ministered in Burundi, offered to install the ceiling tiles for free. Praise the Lord for His generous provision!

India: This summer, Pastor Edwin began construction on a new prayer house for his growing church in Haryana. Much of the building is erected and he is finishing a wall to protect the land and well, keeping it available to all who need fresh water. His ministry continues to thrive and grow. Please pray protection over the workers and the church.

More than 100 bore wells that have been installed in remote villages provide fresh, clean water for over 100,000 people. Each bore well has brought the Gospel to lost souls, growing the Kingdom of God. This harvest has resulted in building more than 90 churches.

Since Pastor David dug the TenCate well in 2018, the number of believers has grown and they need a prayer house! Only \$9,230 will provide a small building for this young church family to gather in. Please pray for this need.

Pastor David would like to build fences around some bore wells that are surrounded by open land to prevent villagers from usurping the land when they build homes nearby.

In Dehradun, the attacks regarding the school have calmed down. Pastor Emmanuel is no longer holding prayer meetings in his home and the church members have decided to wait to meet until the pandemic situation has improved. He is conducting online learning for the 1st through 5th grade classes. The neighbor who has previously stirred up the villagers against Pastor Emmanuel has installed a gate at the entrance to the street where the school is located. He claims that it is to prevent cows from grazing in the agricultural fields but he wants to control Pastor Emmanuel's ability to come and go at the school. Please pray that these attempts to stop Pastor Emmanuel and the work of the Gospel will be ended. The word says that no weapon formed against them shall prosper. Pray that this man's heart will be changed by the power of the Holy Spirit.
