“REACHING AROUND THE WORLD WITH THE WORD”

Isaiah 43:19

“See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.”

Sometimes we think of new things as uncomfortable. When God plans new things for us, we know that they will be exciting and maybe even adventurous. We can enter this new year with expectation that God will lead us into His new things that are designed to bring new blessings into our lives as we walk in new paths of faith with Him.

India: Since 1990, NHMI has partnered with Faith in Action Ministries, which is led by Pastor David Varghese. With his brothers John, Emmanuel, and Edwin, their families, and many other pastors and families, they care for orphans and widows, run a day school, and train pastors. They have planted more than 90 churches and drilled more than 100 wells.

Construction is almost complete on Pastor Edwin’s church in Haryana and he is planning the dedication ceremony. The Varghese family plans to travel there for the ceremony. Train travel in Edwin’s area is stopped due to COVID so they will have to travel by bus. Please pray for their protection and for those who will hear the Gospel at the dedication ceremony.

Pastor John’s church continues to grow and thrive. He was recently blessed to be able to provide food for his church members and other villagers.

Tanzania: New churches continue to spring up across the African continent. They are funded with the support of the local congregations as well as assistance from New Harvest Ministries Tanzania. There are almost 30 churches in the Arusha area alone.

New Arusha Church

New Arusha Church

New Burundi Church

These are three congregations of new believers in the Maasai tribe near Arusha. They chose to convert from traditional cultural beliefs and habits to become followers of Jesus Christ. Praise the Lord!

The ceiling of Pastor Laban's church, the Africa Headquarters Cathedral, has been completed. Pastor Laban and the people there are immensely grateful for your sacrificial giving that has allowed the completion of this project.

The annual Praise & Worship Festival was held on December 13 at all NHM churches. These are photos from the festival in Pastor Laban's church. The name of the Lord was glorified and lives were changed.

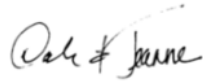

Tanzania cont'd: The agricultural project is still growing and providing income for the ministry. There has recently been plenty of rain to grow the crops and keep the workers busy. They are grateful that the Lord has continued to provide through this project throughout the pandemic.

Projects: Here are some projects available for your church or group to adopt:

Recording Keyboard for Tanzania	\$3,000
Bus for Day School in India	\$7,000
