*"REACHING AROUND THE WORLD WITH THE WORD"*

## John 6:35

*"Then Jesus declared, I am the bread of life. Whoever comes to me will never go hungry, and whoever believes in me will never be thirsty."*

Jesus goes on to explain that there will always be natural needs to be met in order to sustain natural life. Even the requirement of food and water must be renewed each day to satisfy our natural necessities of life. As important as that is, Jesus declares that it is even more vital to secure what is necessary to obtain our eternal life. By believing in Him, our Bread of Heaven, we have no need to hunger and thirst after natural elements to find fulfillment in life. He is our all in all.

*Tanzania:* The medical clinic/dispensary is gaining trust with the public. They are constructing a new wing that will provide care for pregnant women and children under the age of five. Government employees will provide this care and expenses will be paid for by the government. The maternity/child care wing will raise awareness of the clinic. Late last year, an NHMI supporter donated three boxes of over-the-counter medications and toothbrushes for the dispensary. This generous gift will help many families in Mpanda.

The machine shop has been up and running since November. The public is becoming more aware of their work and the business is growing.

The agricultural project continues to generate income for the ministry.

New churches continue to spring up across Tanzania and the surrounding nations. As the ministry grows, more and more hearts accept the salvation that Jesus Christ offers. The continent is surely being transformed by the Good News!

*Tanzania Cont'd:* Kids Sunday is a day set aside by all NHMT churches in Africa to celebrate the blessing of children.

If you would like to join the virtual ONLINE Spring Event on March 20, 2021 at 7:00PM, **contact us by email to [newharvestministriesintl@gmail.com](mailto:newharvestministriesintl@gmail.com) by March 18, 2021.** This will allow us to email the link and instructions to you at the time of the event.

Alwin is ten years old and lives in the orphanage in India. He likes running and playing soccer and tag. He does very well in school and plans to be a police officer when he grows up. His favorite Bible verse is Psalm 103:8, "The Lord is gracious and compassionate, slow to anger and rich in love." Thank you for giving Alwin hope for his future.
