“REACHING AROUND THE WORLD WITH THE WORD”

Isaiah 53:4-5

“Surely he took up our pain and bore our suffering, yet we considered him punished by God, stricken by Him, and afflicted.

But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed.”

Jesus took the punishment for our sins, even to death. His crucifixion and resurrection reminds us that we are forgiven and redeemed from the curse of sin through the power of His shed blood. We are healed, blessed and victorious over death, and rejoice that we have entered into His promise of having everlasting life. This is the Word of hope and life that we carry around the world.

Tanzania: On March 14, 21 Pastors and Bishops from 21 different churches/denominations in the Mpanda area approached Pastor Laban and asked him to be their spiritual "father." Pastor Laban and Anna commissioned and ordained them. Praise the Lord for His favor and blessings!

These refugees recently returned to their native country of Burundi from the Nyargusu refugee camp in Tanzania. They have built this temporary church structure and praise God for their return home and that they are no longer refugees. Pray for this new church group and for those who are still in the refugee camp.

This pastor is standing on land in Katumba that Pastor Laban purchased for her church and other ministry use. The new church will meet in the temporary church structure that is being erected behind her. Brother Herb and Pastor Dale first visited this area with Pastor Laban fifteen years go.

Tanzania cont'd: The machine shop business has been growing, providing valuable services for the city, work for the mechanics and income for the ministry. All of the tools and machinery pictured were provided by NHMI supporters. Pastor Laban expresses his heartfelt thanks for all who have made this endeavor possible.

India: The annual conference is scheduled for April 15-18. Pray that construction on the new convention center will be completed by that time. Pastor Edwin plans to travel from Haryana with a group of people to attend, as well as Pastor Emmanuel from Dehradun. Also pray for the Holy Spirit to move in the meetings and souls to be saved.

A rise in COVID cases has prompted the government to close the schools again. Students will be promoted to the next grade without exams. The orphans also returned to their guardians' homes on March 23. Pastor David's daughter Gracelin has also returned home from the university in Chennai and will finish her BSW courses online.

India cont'd Pastor David learned that the well at Mambakkam, which is near Chennai, was out of order so he traveled there last month to service it, which is a ten hour drive from Tamil Nadu. He also delivered doors and door frames for the new church being constructed at that well site.
