*“REACHING AROUND THE WORLD WITH THE WORD”*

*Mark 16:15*

*“He said to them,  
‘Go into all the  
world and preach the  
gospel to all  
creation.’”*

At every church service, annual conference, open-air evangelistic meeting, and bore well dedication, the Gospel is shared. The family of God is growing every day because you give and you pray. You are indeed “Reaching Around the World with the Word.”

*India:* Three years ago, Pastor Edwin, his wife Deepthi and their son Nathan moved to the state of Haryana to plant a church. Eight to ten families now worship together weekly. Pastor Edwin purchased land and has built a gated prayer house with a kitchen, and is now constructing living quarters for a pastor. More funds are needed for this project. If you would like to help with this church construction, visit [www.newharvest.org](http://www.newharvest.org) and note “Haryana Church” on your donation.

Pastor Edwin was also recently blessed to baptize a new believer. Lives are changing and churches are growing! Praise the Lord!

Mother Varghese is the matriarch of the Varghese family. She has been struggling with leg pain that makes it difficult to walk. Please join us in prayer for her healing.

An increase in COVID cases has driven the government to implement another lockdown, effective nights and Sundays. Alternatives for Sunday services are being explored. The pandemic also prevented Faith In Action Ministries from holding their annual convention.

The orphans are still with their guardians and doing well. The widows are currently staying on the orphanage campus and are safe and healthy.

*Tanzania:* A new church in Burundi recently held baptisms in a Burundian river for eleven new believers. They were awarded baptismal certificates during a celebration service.

Pastor Laban's church held Visitor's Sunday on April 11. This event brings new people through the doors, allowing them to experience fellowship within a Christian community of believers and a worship service. They held several events for the visitors and shared a meal with them.

Pastor Laban recently visited the medical dispensary laboratory in Mpanda. The medical professionals continue to care for the physical needs of the citizens of Mpanda, which opens doors for the Gospel.

*Tanzania cont'd:* The agricultural project is thriving and producing valuable income for the ministry in Tanzania. Pictured is the latest harvest of white and yellow corn.

*Projects:* Here are some projects available for your church or group to adopt:

Prayer House at Haryana	\$1,369
Motorcycle for Tanzania Pastor	\$1,200

Thank you

G. Abinesh

Fifteen-year-old Abinesh lives in the Gilgal Boys' Home in India. He does well in school and likes to play Kabaddi, Cricket and soccer. He plans to be a taxi-driver when he grows up. His favorite Bible verse is Psalm 95:2, "Let us come before His presence with thanksgiving and make joyful noise unto Him with psalms." Thank you for giving Abinesh a home and hope for his future.
