“REACHING AROUND THE WORLD WITH THE WORD”

1 Peter 2:9

“But you are a chosen people, a royal priesthood, a holy nation, God’s special possession, that you may declare the praises of Him who called you out of darkness into His wonderful light.”

We are blessed to be chosen, royal and holy. When you give to NHMI, you partner with us in declaring the the praises of the One who chose us. Together, we invite those still in darkness to join us in His marvelous light.

Tanzania: In July, Pastor Laban and Anna held outreach activities on the outskirts of Mpanda. Twelve people gave their lives to Jesus Christ and many were healed and delivered. Praise the Lord!

The new roof of this Arusha church near Kilimanjaro was funded by your gifts to NHMI.

The annual Women’s Conference will be held the last week of August in Dar es Salaam. They anticipate about 250 women to attend. Funds are needed for transportation, accommodations, meals, advertisements, renting a PA system, and operational costs. If you can help with this \$4,000 need, visit www.newharvest.org and designate your gift “Women’s Conference.”

The Lord continues to bless the agricultural project with growth, providing work for the people, and income for the ministry. Fruit, vegetables, nuts, and rice are planted and harvested in their various seasons throughout the year.

Tanzania cont'd: The maternity ward is progressing! Windows, doors and ceiling have been installed and the floors have been tiled. Once painted, they will be able to start moving equipment into the building. Situated directly behind the medical dispensary, the building will have two labor & delivery rooms, a family planning room, an immunization room, a child exam room, a nurse locker room, an office, and a multipurpose room for conferences, meetings, training, prayer, etc.

India: Pastor Emmanuel found this land in Hameerpur Village, Uttar Pradesh for a new bore well. Pastor David is also looking at land in Happar, Uttar Pradesh and Mandaikad, Kanyakumari for new bore wells. The land in Mandaikad is adjacent to land that they already use for a cemetery. He continues to arrange for the upkeep and repairs of the many bore wells already in existence.

Gracelin was recently granted her visa to travel to the U.S.A. She was offered a full scholarship for an Advanced Diploma at the Christ for the Nations Institute in Dallas, Texas.

The orphans are doing well and conducting classes online. The widows are living on the orphanage grounds and are safe and healthy.

Pastor Emmanuel needs \$15,000 to add a 3rd floor to the day school.

Murugesh, the orphan boy who attended university and became an engineer, will be completing the electrical work on the new church at Mambakkam.

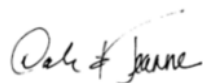

Pastor Edwin is holding Vacation Bible School in Haryana.

Mark your calendar! You are invited to our annual Fall Harvest Happenings! Reaching Around the World with the Word.

After his father passed away, Buvanesh's mother was no longer able provide for him. He now lives at the Faith in Action Ministries orphanage in India, where Pastor Varghese, the staff and other orphans have become his family. He turns ten years old on July 4. He likes to play soccer and does well in school. Buvanesh plans to be an engineer when he grows up. His favorite Bible verse is Psalm 25:12, "Who, then, are those who fear the Lord? He will instruct them in the ways they should choose." Thank you for providing him with a home and hope for his future.
