

# New APRIL 2023 HARVEST MINISTRIES Int'l Inc

*"REACHING AROUND THE WORLD WITH THE WORD"*

*But the angel answered and said to the women, "Do not be afraid, for I know that you seek Jesus who was crucified. He is not here; for He has risen, as He said. Come, see the place where the Lord lay."*

*Matthew 28: 5-6*

*This month we celebrate the events of what is known as Passion Week in the Christian world. We are reminded of how the Good News of the Resurrection of Jesus was declared on that Sunday morning to the faithful followers of our Lord. That same message of a Risen Savior is being carried to regions and villages around the world. Multitudes are coming to know Jesus as their Savior and churches are being formed and pastors are being trained to help them grow in their faith. Thank you for helping us with your prayers and support in this great mission endeavor. It is a great blessing to have you as our partners in:*

*"Reaching Around the World with the Word."*

## *Tanzania*

In route from Dar Es Salaam to Mpanda, Pastor Laban spent a weekend in **Tabora** to minister to the family and Church of the **late Pastor Meshack** who went to his home in Glory this past October. Pastor Laban reports his trip to Tabora was a gloriously powerful time together in the Lord!

## India: Faith in Action Ministries India

On Tuesday, March 28, Pastor Kuttapan went to his home in Glory. He had been a **faithful Pastor and Elder/Leader** in FIAMI for many years. His eldest son, Pastor Thankachan, has taken over his church in Karumanur, and his younger son, Kunchachan is Pastor in the church at Mathoorakonam. **Please keep this family in your prayers** for God's love to comfort them and God's grace to keep them as they continue to labor for His Kingdom.

The **FIAMI General Convention** will be held on April 20 - 23 in the FIAMI Convention Center in Verkilambi, Tamil Nadu, India. They have two special guest preachers speaking at the conference. One will preach in the Tamil language and the other in Malayalam, the language of Kerala. Pastors, Leaders and church members will come from all of the FIAMI churches across India to attend these meetings. There are many who will be traveling by train for many days from the Northern States. This will call for an additional interpreter to translate the messages into the Hindi language for them. Pastors Dale and Jeanne will be joining them by video messaging. **Please pray for the Varghese family** as they make preparations to host this gathering and for all who attend to be blessed, encouraged and taught in the power of the Word of God.

## India: Light Way Ministries

Launching in 2007, Light Way Ministries opened a **Sewing Training Center** that is **free of charge** to those accepted into the program. Pastor Sukumar & Esther's heart in this is to offer widows and those in need a chance to obtain a skill they can use to support themselves and their families when there is little opportunity for them to do so otherwise. As such, to be enrolled, you must be at least 18 years old, a widow, or demonstrate you are in need of this opportunity.

This past March, a new class of eager students began the intensive 6-month long course with classes meeting Mondays through Saturdays. Upon graduation, it is the **prayer of Pastor Sukumar & Esther** that each student receives a sewing machine as a present and means to create a business and support their families.

If you would like to partner with this amazing ministry, the cost of a sewing machine is **\$85** and can provide a lifetime of blessing!
