

New MARCH 2024 HARVEST MINISTRIES Int'l Inc

"REACHING AROUND THE WORLD WITH THE WORD"

He will swallow up death forever, And the Lord God will wipe away tears from all faces: The rebuke of His people He will take away from all the earth: For the Lord has spoken. And it will be said in that day: "Behold, this is our God; We have waited for Him, and He will save us. This is the LORD: We have waited for Him: We will be glad and rejoice in His salvation."

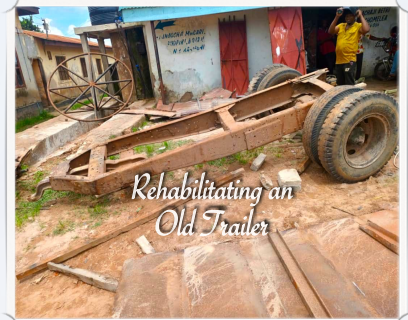

Isaiah 25:8-9

Hallelujah! He is risen from the dead! Death has been swallowed up by the victorious resurrection of Jesus from the grave. And now all peoples of all nations can join Him in this resurrection life. What a marvelous salvation has been attained for us, that we can live forgiven of an otherwise unpayable debt of sin and be called the sons and daughters of God! We rejoice we get to share this message with India, Africa, and beyond.

Thank you for joining hands with us to tell the nations of the great hope that we have in Christ as we continue to "Reach Around the World with the Word!"

Tanzania

The metal shop employees have been hard at work bringing **new life** to an old **tractor** and **trailer** used by the ministry. Starting with the trailer, Laban has drawn up plans to **restructure** it in order to make it smaller and lighter. This way, it will put less strain on the tractor's engine.

Pastor Laban shares that many things are **prospering for God's glory**. He is humbled by how the **mighty hand of God** continues to move and cause all things to work together for the good of those who love Him.

In Tanzania and the surrounding East African countries, Pastor Laban's church has gained a **very positive reputation**. They are even respected by the **government of Tanzania** who bought him a ticket to fly to Dar es Salaam to attend a 5-day course organized by the **Ministry of Defense**. He reports that this was a **powerful time together** with other leaders from around the country.

India: FIAMI

From servicing and providing **necessary maintenance** on the New Harvest bore wells, to breaking ground for a **new church** on a piece of land gifted to FIAMI by a local believer, the Varghese brothers have been busy!

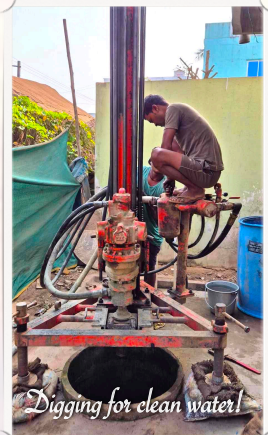

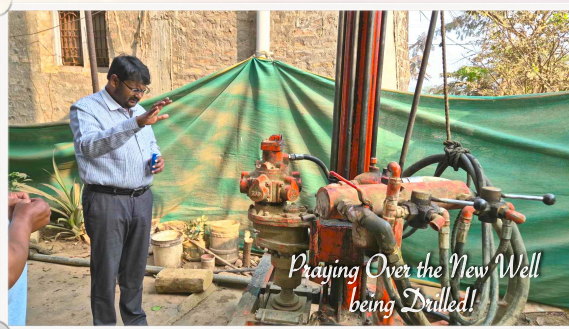

In addition to this, work on the **Jaipur prayer house** is advancing rapidly. At the Gilgal orphanage, they **replaced the septic system** as shown below and are getting ready to concrete it. Work also continues on the **expansion** of Pastor John's church and Pastor David held a **baptism service** for another FIAMI church! Their prayer is that all the states in India will be **touched by the good news** of the gospel of Jesus Christ!

India: Lightway Ministries

Again thanks to **Dr. Terry and Renee Mize** of Terry Mize Ministries, another **well** is under construction in a land where there is a great scarcity of water. Pastors Sukumar and Esther pray many will **come to the living water** as a result!

Along with this, construction is continuing on the **new Jesus Glory Church**! They were able to center and lay the concrete slab for the third level on the building in February. They **look forward with great joy** to soon being able to gather with fellow believers and worship together as they spread the good news throughout Andra Pradesh and India!

Held at **9AM** the **2ND** Saturday of each month at the NHMI office.

We are located at:

100 Pine St. Zeeland, MI 49464

USE THE “**G**” DOOR ON THE WEST SIDE OF THE BUILDING.
