“REACHING AROUND THE WORLD WITH THE WORD”

“We were buried therefore with Him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life.”

Romans 6:4

As we see the signs of new life beginning to stir and come into bloom all around us, may it continually remind us of the newness of life that was attained for us by the resurrection of Christ Jesus from the grave! How glorious a salvation has been bought for us through Calvary. We praise God that this resurrection life is for all peoples in every nation. Truly, we are in awe as we watch it touch countless men, women, and children in Africa, India, and beyond as lives are transformed, widows and orphans are cared for, and the hopeless find living hope.

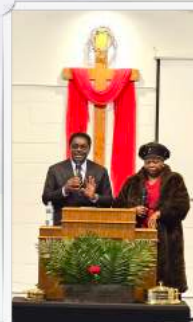

Thanksgiving and gratitude flow continually from our hearts as we hold you, our ministry partners, up in our prayers. May you be blessed beyond what you could ask or imagine as we continue to work together to “Reach Around the World with the Word.”

Tanzania

Pastor Laban and Anna have **safely returned home** to Tanzania after a **tremendous time of ministry** throughout the state of Michigan. They visited **several churches** as well as had the opportunity to share what God has placed on their hearts in **several homes** and **businesses**.

We were privileged to have them as our **special guests** at the Annual Spring Banquet where they shared about the numerous works underway in Tanzania.

They were also able to visit the gravesite of Pastor Laban and Anna’s **father in the faith** and New Harvest Founder, **Herb Stewart**.

While Pastor Laban and Anna were away, the employees at the Metal Shop in Tanzania have kept busy! They have **finished restorations** on this tractor and trailer that came from Ireland 17 years ago.

India: FIAMI

The Varghese bothers have been hard at work **building the convention center** in Tamil Nadu.

Pictured here, they are in the process of constructing the **roof** over the outdoor meeting space in order to provide some relief from the heat when people gather.

They plan to complete this project in time for the **FIAMI Annual Convention** taking place in late April.

Learning to sew dresses!

India: Lightway Ministries

The Glory Free Sewing School students are beginning to learn to **stitch dresses**.
