“REACHING AROUND THE WORLD WITH THE WORD”

“I will give to the Lord the thanks due to His righteousness, and I will sing praise to the name of the Lord, Most High.”

Psalms 7:17

I will give thanks to the Lord with my whole heart; I will recount all of Your wonderful deeds.” Psalms 9:1

During this special season of Thanksgiving, may we be intentional to set time aside to recount the wonderful deeds of our Almighty God and trace the fingerprints of His goodness all over our lives. May we gratefully remember the many things He has done and walk in an attitude of thankfulness for the works He continues to perform in our lives, our families, our nation, and around the world.

We are especially grateful for His unending faithfulness that has opened the door for us to partner with wonderful people like you and bring the good news to the lost, broken, and hopeless while caring for the widow and orphan.

Truly, we have so much to praise the Lord for!

Thank you for partnering with us to “Reach Around the World with the Word.”

## Tanzania

The ministry work throughout Tanzania and the surrounding nations **continues to flourish** by the grace of God!

In Mpanda, preparations have been underway for the upcoming **Shiloh Conference**. Excitement is in the air as this is one of the most anticipated events of the year and many come from all over Africa to attend! **Signs, wonders, and miracles** are evident as the Word of God is preached and demonstrated.

These precious men, women, and children gather during this time together; **hungry to learn more about God**, and the Word says those who hunger will be filled!

---

Thank you for your **continued prayers** over Pastor Laban and Anna! He is doing well and they are praising God for total healing and restoration.

## Did you know?

Dar es Salaam, a city in Eastern Tanzania, is home to several NHMIT churches. It is the largest city in the country as well as the **largest Swahili-speaking city** in the world! It has given birth to many great men throughout Africa's history.

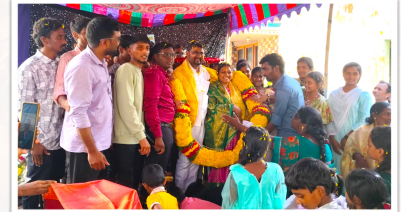

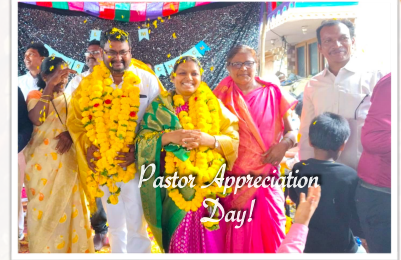

## India: Light Way Ministries

When President Dale and Jeanne visited Pastors Sukumar and Esther earlier this year, they brought with them **gifts of coloring books and crayons** for the children at the Care Centers in Andra Pradesh. During a **special Sunday School retreat** in October, these children greatly enjoyed making the images in the books **come alive with color!**

On October 13th, the Jesus Glory Church members in Andra Pradesh **celebrated Pastors Sukumar and Esther** during their **"World Pastor Appreciation Day."** As a part of this special celebration, they honor their pastors by adorning them with **beautiful garlands!**

## India: FIAMI

Pastor David shares that the orphan **children are doing very well**. Soon, they will be in the middle of taking their 10th grade written exams! They would greatly appreciate prayers as they study in preparation for the test and for good grades to be the outcome!

As the boys progress in their studies, the work on the fence around the orphanage continues as well. The **front side is complete** and they are turning their attentions to finishing the southern portion to prevent animals from getting in and eating their plants and vegetables.

The school work in **Dehradun at the Elizabeth Day School** is also going well. They continue to pray and believe for the provision of a larger vehicle to accommodate the needs of all the children.

The **work at Mambakkam is growing!** Many people are regularly attending the prayer meetings. Pastor David is believing that God will **open hearts to come and know Jesus** as Lord and afterwards to come and be baptized at the **upcoming General Convention**.

On December 24th, Pastor David will be **traveling to Jaipur with Suresh**, the mason who helped build the prayer house there. They will be servicing the bore well and then leading a Gospel meeting. During construction of the prayer house, Suresh had the opportunity to meet many locals whom he hopes to invite to the meeting!

Additionally, they continue to stay busy **servicing other bore wells** throughout several villages to ensure they stay in proper working order and continue providing clean water to those who depend on them.
