DR. LABAN & SISTER ANNA

Congolese and Burundian pastors from the Kigoma region and the Nyarugusu Refugee Camp came together for a heartwarming Christmas meeting to celebrate the birth of Christ. Those who gathered for this festive time, encouraged one another in the Word, spent time in praise and worship, and prayed for one another as they look forward to the New Year ahead.

In 2024, New Harvest Ministries celebrated numerous milestones across East Africa, including another graduating class from the NHMIT Kindergarten program! Two new churches had roofs installed and several other new churches are under construction. We praise God for a current total of 238 churches built throughout Tanzania, Kenya, Uganda, Malawi, Burundi, Rwanda, and the D.R. of Congo! Exciting events from the year included the Annual Children's Day, Visitor's Sunday, Dr. Laban and Anna's visit in March, the Shiloh Conference, and many others. We also drilled a new well near a church in Katumba, providing clean water and a gateway to the Gospel in this region! In addition, all the other outreaches continue to grow, bringing the Good News of the hope found in Christ and His unconditional love to countless communities. Hallelujah!

**“Behold, I will do a new thing,
Now it shall spring forth; Shall
you not know it? I will even
make a road in the wilderness
And rivers in the desert.”**

Isaiah 43:19

As we enter a brand-new year, we are reminded of the powerful promise in this verse, “Behold, I will do a new thing, Now it shall spring forth!” This assurance of God’s renewing power fills us with hope for the days ahead. His words are trustworthy and true, a foundation for our faith as we embrace the opportunities and challenges this year may bring. We are deeply grateful for your support and partnership, which has enabled us to share His love and hope, touching countless lives the world over. May this New Year be a time of renewal for you and your loved ones, filled with His blessings, peace, and grace. Together, let us look forward to the new things God will do in and through us in 2025.

Happy New Year!

PASTORS SUKUMAR & ESTHER

Pastors Sukumar and Esther vigorously spent December spreading the message of hope and love found in Christ. In several remote and underserved villages, they led vibrant Christmas outreach programs bringing joy to many in the community. Their compassionate services included distributing gifts and sharing the Gospel message of Christ's birth!

“Evangelism is at the center of God’s heart. It must also be at the center of the Church.”

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN

Pastor David shares they recently enjoyed a wonderful time of fellowship with the children of God in Mambakkam. During the meeting, one of our pastor’s families celebrated their grandson’s birthday by donating quilts for the orphan children and providing 20 quilts for distribution among the Mambakkam believers and Jaipur ministry. These were distributed to the believers who gathered. They also had the opportunity to baptize new believers in December, ushering them into their new life in Christ! Included in their Christmas celebrations, Pastor David and the Gilgal orphan children enjoyed a hearty meal together with the elderly widows also in their care.

Who Are We:

New Harvest is an interdenominational mission organization who, with the prayers and financial support of our partners, determine to share the Gospel of Jesus Christ to the nations as together we “Reach Around the World with the Word.”

We have one simple mission and purpose: to bring the Gospel of Jesus Christ to the most remote regions of the world and to fulfill the words of the Great Commission, “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.” Amen.” Matthew 28:19-20.

In INDIA, New Harvest supports orphans and widows, operates a day school, trains pastors, conducts gospel outreach in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.

In AFRICA, New Harvest runs 7 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Kenya, Uganda, Malawi, Burundi, Rwanda, and the D.R. of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and have recently started drilling wells.
