REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA NDIMUBENYA

The Laban New Harvest Nursery School and Daycare continues to thrive and is making a profound impact on the community in Mpanda, Tanzania. By providing quality, Bible-based education and childcare to children who might otherwise lack access to these essential services, this school is transforming lives and impacting the next generations for Christ. .

Additionally, students learn English as part of their studies, equipping them with valuable language skills that enhance their future opportunities in education and employment. Moreover, it also creates job opportunities for local teachers and staff, contributing to the area's economic growth.

It is a joy to watch these young lives grow and flourish in the care New Harvest Ministry provides through the Nursery School and Daycare! Their smiles, confidence, and eagerness to learn are a testament to the life-changing impact of this ministry.

"Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead!"

1 Peter 1:3

This Easter, we rejoice in the victory of our risen Savior, who has conquered death and given us eternal hope! This is not just any hope, but a living hope—vibrant, victorious, and unshakable—made possible through Christ's triumph over death. Because He lives, we are no longer bound by sin or fear.

We are redeemed, restored, and destined for eternity with Him!

We are so thankful for your partnership which is a wonderful testament to His love in action and has brought transformation and salvation to over a million individuals around the world. May this resurrection season fill your hearts with joy, renewal, and confident expectation the sure mercies of our great God will meet us every morning as we continue to "Reach Around the World with the Word!"

PASTORS SUKUMAR & ESTHER TATAPUDI

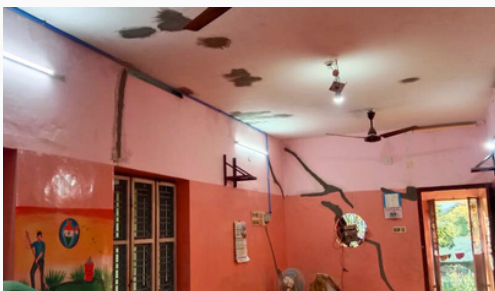

Pastor Sukumar shares that the Glory Free Training School just welcomed 20 new students into the sewing program! Comprised of young widows, this is a life changing opportunity for these young women and is made possible by the generosity of our dear donors and sponsors, whose support extends far beyond just teaching them a new skill. Over the years, several of these ladies have come to accept Jesus as their personal Savior due to the love of Jesus poured out on them from the teachers as well as Pastors Sukumar and Esther. As part of this outpouring of love, it is the heart of this ministry to provide these ladies with a sewing machine of their own upon graduation to help launch their new careers. If you are interested in partnering with us in this by donating a sewing machine, each one costs \$85 but the impact it has these students is priceless!

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David shares they are renovating the orphanage building as part of the structural renewal process the government requires for certification. This includes painting, repairing broken ceiling plaster, replacing 25-year-old toilets, and fixing damaged sunshades. Additionally, they repaired several bore wells, restoring clean water access for several villages. As these repairs take place, the Gilgal boys are diligently preparing for their public exams which will take place from March 28th to April 15th. They ask prayers for wisdom, confidence, and success as they take these tests! Along with this, a convention recently took place at Vettukuzhi, where two people were baptized!

“It is not likely that you will lead a soul to Christ unless

YOU LOVE HIM OR HER.

And you cannot lead souls to Christ unless you have seen a vision of their

LOST CONDITION.”
