REACHING AROUND THE WORLD WITH THE WORD

## NHMI, Tanzania, Africa

PASTOR ANNA NDIMUBENYA

New Harvest recently held a special Clinic Day for mothers and their children at the NHMIT Medical Dispensary in Mpanda, and it was a tremendous blessing! The day focused on providing essential medical care, health education, and encouragement to local families. Dozens of mothers and their children received check-ups, nutritional support, and prayer. It was a powerful opportunity to demonstrate Christ's love through compassionate care, and we praise God for the impact this outreach is making in the community!

Pastor Anna continues to faithfully lead and advance the ministry in Tanzania, boldly preaching the Word and reaching lives through the many impactful outreaches NHMI provides. In addition to her leadership in community outreach and evangelism, she also serves as Pastor at the NHMIT home church in Mpanda, where the congregation gathers regularly for Spirit-filled times of praise, teaching, and fellowship. Her dedication and passion are instrumental in strengthening the church and expanding the reach of the Gospel in the region.

**“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.”**

Galatians 6:9 (NIV)

This verse encourages us to remain faithful in the work God has entrusted to us, even when we don't yet see the results. In times of waiting—for harvest, for breakthrough—it urges us not to grow weary. God assures us that in His perfect timing, our perseverance will bear fruit!

As we enter the summer season, may our hearts be refreshed and our resolve strengthened to continue doing good. We can move forward with confidence, trusting that the harvest is coming as we continue to care for widows and orphans and carry the gospel to the nations.

Thank you for standing with us in this mission! Your steadfast prayers, encouragement, and support are making a lasting difference—bringing the hope, healing, and life-changing message of Jesus to people across the globe as we continue to “Reach Around the World with the Word!”

## Light Way Ministries, India

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastors Sukumar and Esther led several powerful evangelistic and preaching outreaches throughout the month of May. They shared the Gospel in both rural and urban communities, reaching hearts with the love of Christ and encouraging believers through teaching the Word, fellowship, discipleship, and prayer. Through their dedication, many are hearing the Good News—some for the very first time—souls are being saved and lives are being transformed for the Kingdom of God!

## FIAM, India

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David shares they held Vacation Bible School in May, which included a fruitful program at the Puthukudi church where many non-Christian children attended and heard the Gospel. The final day included a rally and prize distribution, with several children and their parents joining the church service. We join with them in believing this outreach will bear great spiritual fruit!

Additionally, construction has begun on a new prayer hall in Nallurvattam. Pastor David had the great honor and privilege of laying the foundational corner stone for the new building at a recent dedication service. Building progress has paused due to heavy rains in the region but will resume once weather permits.

Meanwhile, the children at the orphanage are doing well and enjoying their summer holidays. The classroom facilities have been freshly renovated and painted, and they look forward to welcoming the children when school reopens on June 2nd.

THE EVANGELIST, AND  
EVERY SERVANT OF GOD,  
MUST LEARN THAT IT IS  
PEOPLE WHO MATTER.  
IT'S NOT "OUR MINISTRY"  
THAT IS IMPORTANT...

BUT RATHER, IT IS  
RESCUING THE LOST  
SOULS OF MEN AND  
WOMEN ON THEIR WAY  
TO A CHRISTLESS  
ETERNITY THAT REALLY  
COUNTS.

## NEW HARVEST MINISTRY PROVIDES:

In AFRICA, New Harvest runs 6 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and the Democratic Republic of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and have recently started drilling wells.

In INDIA, New Harvest supports orphans and widows, operates a day school, provides Care Centers for children, trains pastors, conducts gospel outreaches in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.

## BACK TO SCHOOL IN INDIA!

As the school year kicks off this June, children all across India are gearing up to return to their classrooms—and the students at Light Way Care Centers and Gilgal Boys Orphanage are no exception! They're filled with excitement and anticipation, ready to learn, grow, and step into the future God has planned for them.

To help launch their year with confidence, our ministry partners in India are working to provide school kits for 55 students—and we invite you to be a part of this incredible opportunity! For just \$40 per child, you can equip a student with everything they need to succeed, including essential supplies and the encouragement of knowing someone believes in them. These kits will include:

- Textbooks and notebooks
- A school bag
- One pair of school shoes
- Stationery supplies
- A tiffin box and water bottle

Your support will not only meet a practical need—it will open the door to education, hope, and the life-changing message of Jesus Christ through the Christ-centered learning these ministries provide. Whether you're an individual, church, or business, we'd love to have you join us in making a lasting impact in the lives of these children.

Let's send them back to school full of joy and fully prepared!
