REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA NDMUBENYA

The Youth Conference at NHMI Mpanda, which began on June 25, 2025, has just wrapped up—and what an incredible time it was! Under the dynamic leadership of Pastor Anna and her team, young people gathered from across Tanzania and neighboring East African nations, united by a hunger for God and a passion to grow in their faith. The atmosphere was electric with powerful worship, vibrant praise, and life-changing ministry. We are overjoyed to share that 12 people made the decision to accept Jesus as their Savior, and many were baptized, publicly declaring their new life in Christ. The joy and celebration that filled this time together is unforgettable. Pastor Anna and her team led with such grace and dedication, equipping and inspiring the next generation to walk boldly with the Lord. We give God all the glory for the amazing things He has done!

"Blessed is the nation whose God is the Lord, the people he chose for his inheritance."

Psalm 33:12 (NIV)

As we celebrate our Independence Day, we are filled with gratitude for the freedom we enjoy—not only as citizens, but as believers with the incredible privilege to share the Gospel without restraint. From this place of blessing, we have the opportunity to touch the nations with the Good News of Jesus Christ. We thank God for His continued mercy over our country and for the doors He has opened for ministry around the world. How awesome is our God, who has enabled us to care for widows, orphans, and the brokenhearted, and to proclaim the message of true liberty through salvation to over 1,000,000 souls! To Him be all the glory!

We are especially grateful for you, our faithful ministry partners. Your love, prayers, and generosity make it possible to carry the Word to places near and far. Thank you for walking with us, sowing into the Kingdom, and believing in what God is doing through this ministry. Together, we are "Reaching Around the World with the Word!"

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastor Sukumar shares that the sewing school students are progressing quickly, learning valuable skills with enthusiasm and dedication. It's been a joy to watch them grow in confidence and craftsmanship. They are now preparing for a special graduation program in the last week of July to celebrate their hard work and achievements! We are especially grateful for our giving partners, whose generous support has provided sewing machines for the graduates and funded much-needed maintenance of the school floor where the ladies often sit for their lectures! Additionally, Pastor Sukumar had the privilege of sharing the Word in several locations, including a recent leaders' meeting, encouraging and equipping fellow ministers with a timely message from the Lord!

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David reports that the children at the orphanage are doing well. This year, five new boys have joined them, each coming from deeply challenging family situations. This brings the total number of children in their care to 21—12 boys residing at the orphanage and 9 additional children, including girls, whom they support off-site. As the new school year begins, they provided the children with uniforms, notebooks, and other essentials.

Pastor David and his team have also completed construction of a van shed for their Echo vehicle and are now seeking to concrete the floor. Additionally, they are exploring the installation of solar power to reduce their electricity costs, which currently amount to about \$70 every two months. The solar unit would cost approximately \$2,353 USD to install.

In Dehradun, they are in need of a second vehicle to transport children to school. A total of \$3,530.00 is needed to fund this essential ministry tool.

“The Church has the responsibility to bear the gospel message to the whole world.

We must carry out the commission of Christ.

He's not a commissioner.

HE'S THE COMMISSIONER.

He's not a king.

HE'S THE KING.

He's not a Lord.

HE'S THE LORD.

And He has commanded the Church, His people, to bring the gospel to every person on the face of the earth.”

NEW HARVEST MINISTRY PROVIDES:

In AFRICA, New Harvest runs 6 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and the Democratic Republic of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and have recently started drilling wells.

In INDIA, New Harvest supports orphans and widows, operates a day school, provides Care Centers for children, trains pastors, conducts gospel outreaches in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.

BACK TO SCHOOL IN INDIA!

As the school year kicks off, children all across India are gearing up to return to their classrooms—and the students at Light Way Care Centers and Gilgal Boys Orphanage are no exception! They're filled with excitement and anticipation, ready to learn, grow, and step into the future God has planned for them.

To help launch their year with confidence, our ministry partners in India are working to provide school kits for 55 students—and we invite you to be a part of this incredible opportunity! For just \$40 per child, you can equip a student with everything they need to succeed, including essential supplies and the encouragement of knowing someone believes in them. These kits will include:

- Textbooks and notebooks
- A school bag
- One pair of school shoes
- Stationery supplies
- A tiffin box and water bottle

Your support will not only meet a practical need—it will open the door to education, hope, and the life-changing message of Jesus Christ through the Christ-centered learning these ministries provide. Whether you're an individual, church, or business, we'd love to have you join us in making a lasting impact in the lives of these children.

LET'S SEND THEM BACK TO SCHOOL FULL OF JOY AND FULLY PREPARED!
