REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA NDIMUBENYA

On July 20th, 2025, Pastor Anna led a meaningful meeting at the NHMI church in Kanoge Katumba. While there, she visited widows and orphans, blessing the children with gifts of food and soap from NHMIT—gifts they received with deep gratitude.

With faith and excitement, Pastor Anna has been traveling across Tanzania, visiting NHMI churches and leading both internal gatherings and outreach meetings. These visits are sparking fresh momentum as she introduces herself and helps reignite the vision of New Harvest Ministries in the wake of our beloved Dr. Laban's promotion to glory. Her message is one of hope and forward movement, boldly declaring that Jesus Christ is the same yesterday, today, and forever and He is working powerfully in East Africa! She welcomes your continued prayers as she joyfully carries this mission forward, trusting God for even greater things ahead.

Additionally, several construction projects are underway, including a beautiful new building (pictured bottom right) that is rising in place of the previously collapsed structure (pictured bottom left)!

"I cried out to the Lord, and he answered me; He freed me from all my fears. God's angel set up a circle of protection around me, delivering me from all harm. Oh, taste and see the goodness of the Lord! Blessed are you who run to him for refuge. Fear the Lord, you his godly people, for those who fear him will have all they need.

Psalm 34:6-10 (TPT)

What a beautiful invitation to experience the goodness of the Lord! This Psalm reminds us how He frees us from fear and fills our hearts with peace through His unfailing love. How wonderful it is to be His hands and feet, bringing hope and healing to the widow, orphan, brokenhearted, and those without the hope of Jesus. Every step we take in this mission is a testimony of His grace at work, changing lives and drawing hearts to Him.

Thank you for your faithful support. We joyfully celebrate the blessings God has poured out through your generosity. Together, we are making a lasting impact, shining His light into dark places so that all may taste and see that the Lord is good as we continue to "Reach Around the World with the Word."

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastor Sukumar shared a remarkable praise report from one of our village churches in India. In July, heavy rains caused all government wells in the area to shut down, leaving the community without access to clean drinking water. But God had already made a way. The borewell installed at the local church, thanks to your faithful support, remained fully functional. It quickly became the only source of clean water for the entire village.

Not only were physical needs met, but this became a powerful testimony to the love and provision of God. People from all around came to the church—not just for water, but with hearts open to the Living Water as well!

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David shares that a new bore well as drilled in Lehragaga village. Drilling reached a final depth of 350 feet after a strong water source was discovered at 170 feet. A new submersible motor was purchased to pump the water. The next step is to construct a small prayer house that will provide a home for the pastor as well as a place to worship. The cost for this project is \$7,500.

A wonderful worship service was held at the new Prayer House in Benada village, Jaipur. It was a powerful time of ministry as the eternal Word of God was shared with many hungry hearts!

Additionally, Jobin has completed the foundation work for a new church and parsonage in Nallurvattom. We are now moving forward with the next phase of construction, which includes installing the church brickwork, lintel beam, and sunshade, the parsonage brickwork and lintel beam, as well as windows and doors for both buildings. The total cost for this stage is \$4,208.

“We cannot be
soulwinners nor can we
be moved of God to
help people, unless we
love people.

LOVE IS THE KEY -
THE NUMBER ONE KEY!

To love men and women
with the heart of Christ
is to reach out to them
and see them come to
know Him as Lord and
Savior.”

In Dehradun, the Lord is growing the ministry in beautiful ways, especially through the care and education of local children. As more young lives are being reached, the need for reliable transportation has grown as well.

Currently, the ministry operates with just one vehicle to transport children to and from school. However, due to the increasing number of students, this single vehicle can no longer meet the daily demand. A second vehicle is urgently needed to ensure that all children can attend school safely and on time. The balance needed to purchase this much-needed vehicle is \$3,530.00. This is not just a practical tool, it's an investment in the future of these children and a vital part of their opportunity to receive an education, grow in faith, and break the cycle of poverty.

Would you prayerfully consider helping us meet this need? Your gift—large or small—will directly impact lives and help us continue bringing hope and opportunity to these precious children.
