REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDMUBENYA

Pastor Anna has been traveling across East Africa this past month, visiting several New Harvest churches. At each stop she has preached the Word with boldness and compassion, encouraging believers, equipping local leaders, and strengthening the body of Christ. Her ministry is helping churches grow in unity and passion for the Gospel, and many have been uplifted by her faithful service.

Meanwhile, at the Laban Nursery School, the children are thriving. Their days are filled with laughter, play, and learning in a safe and loving environment. For many of these little ones, this school is their first opportunity to receive quality education, nutritious meals, and the daily care they need to flourish. Beyond academics, they are being shaped spiritually, learning songs, hearing Bible stories, and experiencing God's love in tangible ways. Truly, this ministry is laying a foundation for a brighter future, both educationally and spiritually, for each precious child.

Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither, whatever they do prospers.

Psalm 1:1-3 (NIV)

As we embrace this new season, Psalm 1:1-3 reminds us of the beauty and strength that come from delighting in the Lord and meditating on His Word. Like a tree planted by streams of water, we are rooted in Him and empowered to flourish in every season. We give thanks to God for His faithfulness! Because of His unfailing goodness, we are able to reach the lost, care for widows and orphans, and expand His kingdom.

Your partnership is a vital part of this mission. Through your prayers, encouragement, and support, lives are being transformed and communities renewed. Together, we celebrate the growth and fruitfulness of God as His Word spreads across the world. We are so grateful to have you alongside us as we continue, "Reaching Around the World with the Word."

PASTORS SUKUMAR & ESTHER TATAPUDI

This past month, thanks to the generosity of a faithful donor, Pastor Sukumar was able to bless several of the children at The Light Way Ministries Care Center with brand-new school kits, giving them the tools they need to learn with confidence and joy. For many of these children, such supplies are a precious gift and a reminder that they are deeply cared for. In addition, God has opened many doors for Pastor Sukumar to share the Gospel at various outreach meetings, where hearts have been touched and lives impacted for Christ. We are so grateful for your faithful partnership and for donors who make both the care of these children and the spread of the Gospel possible!

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David sends greetings in Jesus' name and thanks all of our ministry partners for your faithful prayers and support. He reports that the children at the orphanage are doing well and remain in good health following a recent medical camp.

At Sriviliputhur church, after many years of effort, they were finally able to secure an electricity connection under the church tariff—a great answer to prayer. In Nallurvattom, construction has begun on the new church. They laid the door frames and started the walls. In Mambakkam village, prayer meetings are growing, and plans are being made to fence the church plot and plant trees.

Pastor David and his family will also be traveling to Jaipur for their quarterly gospel meeting and also visit the Elizabeth School in Dehradun. Meanwhile, the church in Puthukudi continues to grow, and there is a pressing need for a dedicated cemetery separate from the orphanage campus.

NEW HARVEST MINISTRY PROVIDES:

In AFRICA, New Harvest runs 6 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and the Democratic Republic of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and is providing freshwater wells in remote villages.

In INDIA, New Harvest supports orphans and widows, operates a day school, provides Care Centers for children, trains pastors, conducts gospel outreaches in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.

GIVING OPPORTUNITIES!

A few children in India still need back-to-school kits! For just \$40, you can provide essential supplies and show them they are valued and equipped for a hope-filled future, full of possibility, purpose, and God's promise.

Each kit will include:

- Textbooks and notebooks
- A school bag
- One pair of school shoes
- Stationery supplies
- A tiffin box and water bottle

In Dehradun, the Lord is blessing the ministry in amazing ways, especially through the care and education of local children. With more young lives being reached, the need for reliable transportation has grown.

Currently, just one vehicle serves all the children, but it can no longer meet the daily demand. A second vehicle is urgently needed to ensure every child can get to school safely and on time.

The remaining balance to purchase this vehicle is \$3,530—a vital investment in their education, faith, and future, giving these children the chance to break the cycle of poverty.

Would you prayerfully consider helping us meet this need? Your gift—large or small—will directly impact lives and help us continue bringing hope and opportunity to these precious children.
