NEW HARVEST MINISTRIES INTERNATIONAL INC

REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDIMUBENYA

We are thrilled to share the incredible ways God is moving through our ministry partners across East Africa!

In Burundi, construction is underway on a new church building that will soon serve as a vibrant center for worship, discipleship, and community outreach. This new space will become a place where believers gather to grow in faith, where neighbors find encouragement, and where the hope of the Gospel continues to spread.

In addition to this exciting progress, the team at the New Harvest Medical/Maternity Center recently hosted a medical clinic focused on mothers and young children. Dozens of families received essential care, education, and support — meeting critical health needs while also sharing Christ's love in practical, life-changing ways.

Across Tanzania, the message of Jesus is also being celebrated in powerful ways. Communities have come together in joyful gatherings to worship, share testimonies, and proclaim the Gospel. Many are encountering the love of Christ for the first time, and lives are being transformed as faith continues to grow.

When You speak to me, I devour every word. Your word brings me such boundless joy.

The endless delight of my heart is in knowing that your beautiful name is attached to me, O YAHWEH, Commander of Angel Armies.

Jeremiah 15:16 TPT

God's Word continues to go forth with power, transforming lives and drawing hearts closer to Jesus in every place it is shared. Souls are being saved, families are being restored, and communities once without hope are experiencing the light of Christ. The widow and orphan are being cared for, the hungry are being fed, and the broken are discovering the healing love of God. As Jeremiah 15:16 declares, "Your words were found, and I ate them, and they became a joy and the delight of my heart." This same Word is still bringing joy, strength, and new life to countless people around the world today.

We are deeply grateful for your faithful prayers, generosity, and partnership, which make it possible for us to carry this message of hope to the nations. Together, we are impacting lives for eternity and advancing God's Kingdom in places that desperately need His love. Thank you for helping us continue to Reach Around the World with the Word.

Light Way Ministries, India

PASTORS SUKUMAR & ESTHER TATAPUDI

We are excited to share how God is moving in Andhra Pradesh, India! Pastor Sukumar has been faithfully proclaiming the Word of God at Gospel outreach meetings throughout the region, where many hearts are being touched, encouraged, and transformed by the message of Jesus Christ. These gatherings continue to strengthen local believers and open doors for new people to hear the Good News. In addition, we're celebrating a wonderful milestone for the Glory Free Sewing School, which now has a brand-new floor. This much-needed improvement is creating a brighter, safer, and more welcoming environment for women to gather, learn valuable skills, and build sustainable futures for themselves and their families. God is using this ministry in powerful ways to share His love both spiritually and practically.

**"We must love people.
And that can only be
done by practice."**

**The art of ministering
the Word before
people comes with
great cost and much
practice."**

Herb Stewart

FIAM, India

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David sends warm greetings in Jesus' name and shares that the children are doing well as they prepare for their exams before a short holiday break. He and his nephew, Prasion, recently drove seven hours to attend a convention at the new church and well site in Palani. His team also shared the Gospel in Mambakkam village, where believers are growing in faith, and they are praying for resources to build a new church on newly purchased land. Ministry efforts continue with pastors' meetings, outreach events, and the construction of a new church and parsonage in Nallurvattom. Pastor David expresses deep gratitude for the prayers and support that make this work possible.

NEW HARVEST MINISTRY PROVIDES:

In AFRICA, New Harvest runs 6 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and the Democratic Republic of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and is providing freshwater wells in remote villages.

In INDIA, New Harvest supports orphans and widows, operates a day school, provides Care Centers for children, trains pastors, conducts gospel outreaches in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.

MAKE A DIFFERENCE!

For just \$40 a month — little more than the cost of a family dinner — you can help transform entire communities and change countless lives. Your monthly support provides clean water, nutritious food, education, and hope where it's needed most. Even more, it opens the door for children and families to be introduced to the life-changing message of the Gospel. Together, we can break cycles of poverty, open doors of opportunity, and create lasting change that ripples through generations. One simple gift, given faithfully each month, can spark a brighter future — both now and for eternity.

We also invite you to share this opportunity with your friends, family, and church so they too can join in making a difference. Together, we can reach even more lives and spread hope far and wide.

WILL YOU *Partner* WITH US?

DID YOU KNOW?

In India alone, New Harvest Ministries has drilled more than **100 freshwater wells**, bringing clean, life-sustaining water to countless families while opening doors to share the living water of Jesus Christ. In the last couple of years, this life-changing work has expanded into Tanzania as well, where new wells are not only meeting physical needs but also planting seeds of faith and hope in the hearts of those we serve.
