REACHING AROUND THE WORLD WITH THE WORD

## NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDIMUBENYA

God continues to do powerful and life-changing work in Tanzania through the faithful leadership of Pastor Anna and the dedicated New Harvest pastors serving alongside her. Through their unwavering commitment to the Gospel, communities are being strengthened, disciples are being raised, and hope is taking root in places that have long needed encouragement and truth. Despite challenges, these pastors labor faithfully—teaching the Word, shepherding their congregations, and demonstrating Christ's love through both spiritual care and compassionate outreach. Their obedience and perseverance are a beautiful testimony to what God can accomplish through willing hearts.

At the same time, the agricultural project in Tanzania is flourishing, providing a tangible picture of God's provision and faithfulness. The healthy, full stalks of corn captured in the photo stand as evidence of diligent stewardship, hard work, and God's blessing on the land. This thriving harvest not only helps meet practical needs within the community but also supports long-term sustainability and empowerment. It is a reminder that God cares for both the spiritual and physical needs of His people, and that when seeds are planted in faith, whether in the soil or in hearts, He brings the growth.

**Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.**

Joshua 1:9 (NKJV)

This verse reminds us that our courage and hope are rooted not in our circumstances, but in the unchanging character of God.

Time and time again, He has proven Himself faithful. He has been strength for the orphan, a defender of the widow, and a refuge for the hopeless. In every season, He walks closely with His people, supplying what is needed and reminding us that we are never alone!

We are deeply grateful for you, our cherished ministry partners. Your prayers, generosity, and steadfast faith make it possible for us to walk alongside the vulnerable and share God's love in meaningful, tangible ways. Because of your partnership, lives are being

touched, communities are being strengthened, and the hope of the

Gospel is reaching places it otherwise could not. Together, we move forward with confidence and courage, trusting that the Lord our God goes before us and remains with us wherever He leads. Thank you for faithfully standing with us as we continue to

“Reach Around the World with the Word!”

## Light Way Ministries, India

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastors Sukumar and Esther recently returned to one of the villages in India where NHMI drilled a fresh water well in 2024. The community continues to rejoice in the blessing of clean, life-giving water from the NHMI borewell installed that year. Every drop is deeply valued, continuing to bring relief, improved health, and a constant tangible reminder of the love of Christ!

Alongside this, Pastor Sukumar recently led a tremendous gospel outreach meeting in a remote village, faithfully sharing the message of salvation and God's redeeming love with those gathered. Many came together to hear the Good News, experience prayer and encouragement, and be reminded of the hope found in Christ.

## FIAM, India

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David shares the children are preparing for their final exams and recently participated in Sunday school merit exams, growing in both knowledge and faith. As part of an annual tradition, they will enjoy a special outing to a water park in Trivandrum on March 4, an outing they eagerly look forward to!

The Gospel continues to bear fruit as monthly outreach meetings in Mambakkam village draw many to hear the Word of God, with follow-up visits planned. During their most recent visit, the team celebrated the pastor's son's birthday by sharing gifts with the community and fellowshiping together over a meal—beautifully reflecting Christ's love in action.

On January 25, many were blessed by a Sunday School Teacher's meeting held at our FIAMI Convention Center, where teachers gathered for a time of encouragement, fellowship, and renewed vision for serving the next generation!

## NEW HARVEST MINISTRY PROVIDES:

In AFRICA, New Harvest runs 6 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and the Democratic Republic of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and is providing freshwater wells in remote villages.

In INDIA, New Harvest supports orphans and widows, operates a day school, provides Care Centers for children, trains pastors, conducts gospel outreaches in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.
