REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDIMUBENYA

Pastor Anna recently shared the exciting news that a new NHMIT church is currently under construction in Turiani, located in the Morogoro Region. Under the leadership of Bishop Ilomo, this project represents a meaningful step forward in expanding the ministry's reach and creating a dedicated place of worship for the local community!

NHMIT is a part of Christian Professionals of Tanzania (CPCT), a fellowship network that brings together Christian professionals from various sectors to promote ethical leadership, collaboration, and national development grounded in Christian values. Recently, several individuals of NHMIT attended a meeting in Dar es Salaam for the first time, where they had the honor of participating in discussions alongside the Vice President of Tanzania.

I am doing something brand new, something unheard of. Even now it sprouts and grows and matures. Don't you perceive it? I will make a way in the wilderness and open up flowing streams in the desert. Wild beasts, jackals, and owls will glorify me. For I supply streams of water in the desert and rivers in the wilderness to satisfy the thirst of my people, my chosen ones, so that you, whom I have shaped and formed for myself, will proclaim my praise.

Isaiah 43:19-21 TPT

As we step into March and catch the first signs of spring, we are reminded of God's promise to bring forth new things—fresh pathways in places that once felt like wilderness, and streams of renewal in even the driest seasons. Just as creation blooms anew, we are witnessing God move powerfully around the world—opening doors, transforming lives, and stirring hearts in ways only He can.

We are deeply grateful for our ministry partners. Your faithful prayers and generosity make this Kingdom impact possible. Truly, your partnership is part of the "new thing" God is doing, and we thank Him for you and the ways you are helping us "Reach Around the World with the Word!"

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastors Sukumar and Esther shared some of the beautiful dresses made by the women at the Glory Free Sewing School, showcasing the skills they've recently learned. The ladies are excited to use this knowledge to provide for their families and embrace new opportunities, while also hearing about the God who loves and cares for them!

In addition, several gospel outreach meetings have been taking place throughout Andra Pradesh, India. Many are responding to the hope found only in Christ and others come away from these times refreshed and encouraged in the Lord!

“The top priority of our every contact with the outside world must be to

Lead People to Christ.”

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David shares that the ministry in India continues to see growth and activity. The children at the orphanage are doing well and are looking forward to an upcoming outing to the Thiruvananthapuram Zoo and Planetarium on March 3rd.

In addition to this, maintenance of two bore wells was completed in February, once again providing a clean water and a taste of the Living Water for the community it serves!

In February, they had the opportunity to share the Gospel in Mambakkam, where many people attended, hungry for the Word, and spiritual growth is evident, praise the Lord!

In between travels, preparations are also underway for the upcoming general convention April 16-19. This year, attendees from Mambakkam plan to make the day long trip in order to participate! Following the convention, Pastor David and his family will visit Benada village and focus on learning the Hindi language in order to advance the outreach of the Gospel across India as that is the language of many of the unreached people groups around them.

NEW HARVEST MINISTRY PROVIDES:

In AFRICA, New Harvest runs 6 branches of the New Harvest Bible College, with over 1,300 graduates. It has helped establish 238 churches in Tanzania, Burundi, Kenya, Uganda, Malawi, and the Democratic Republic of Congo. Additionally, it operates a medical clinic, a nursery school, two cafes, a metal fabrication shop, a brick manufacturing facility, a 3,000-acre agricultural project, and is providing freshwater wells in remote villages.

In INDIA, New Harvest supports orphans and widows, operates a day school, provides Care Centers for children, trains pastors, conducts gospel outreaches in remote villages, and offers vocational training for widows. Graduates from its Bible college have planted over 90 churches, and more than 100 wells have been drilled, providing fresh water to over 100,000 people.
