REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDIMUBENYA

Pastor Anna shares that the corn harvest has recently been gathered and processed in Tanzania, and it is truly a significant blessing for the ministry and the communities we serve.

The corn and the other crops grown in our agricultural project now plays a vital role in sustaining the ongoing work of the ministry. It supports feeding programs that care for children and vulnerable individuals, ensuring that practical needs are met alongside spiritual care. In addition, the harvest contributes directly to sustaining local ministry efforts, helping churches remain active and engaged in their communities.

We are deeply grateful for the faithful partnership that makes this possible. Through this shared commitment, practical provision is transformed into lasting impact, strengthening families, encouraging local leaders, and opening doors for continued gospel ministry throughout the region.

“Go ahead—sing your brand-new song to the Lord!

He is famous for his miracles and marvelous deeds.

For He is victorious through his mighty power and holy strength!”

Psalm 98:1 TPT

This “new song” is more than words, it’s the sound of lives being changed around the world! Across remote regions of India and Africa, people are hearing the gospel for the very first time, and hearts are being awakened to His love. The orphan, the widow, and countless others are being touched in deeply personal ways, experiencing hope where there once was none. Each transformed life is a beautiful expression of His power at work and a fresh reason to praise Him for the victory He continues to bring. May we join in with this heavenly chorus with heartfelt praise for the Lord’s goodness!

We are so grateful for you, our dear ministry partners, whose generosity and faithfulness make this possible. Because of your support, this “new song” is being carried to so many who have never heard it before. Your partnership is helping us make an eternal impact as we continue “Reaching Around the World with the Word!”

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastors Sukumar and Esther experienced a truly blessed Easter season as they led services across Andhra Pradesh, India. In each gathering, the atmosphere was filled with powerful worship and joyful celebration as the message of the resurrection was shared. Many hearts were encouraged and strengthened, receiving fresh hope in the truth that Christ has conquered the grave and made salvation possible for all.

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

The 36th General Convention was truly a time of rich blessing, marked by both spiritual encouragement and visible fruit. During this gathering, Pastor David shares they had 3 speakers share the word. Their presence reflected a beautiful unity across regions and brought strength, fellowship, and shared vision to the gathering.

One of the most powerful moments of the convention was witnessing several individuals take water baptism—a public declaration of their faith and a significant step in their walk with the Lord.

Since the convention, they are already seeing lasting impact. Pastor John shared that several new souls visited his church this past Sunday, a direct fruit of the seeds sown during the meetings. Likewise, our Puthukudi church is experiencing growth, with new people coming and showing openness to the gospel. We are encouraged to see how the Lord is using this time of gathering not only to strengthen believers, but also to draw new lives into His kingdom.

“If I’ve learned anything in my life, it’s that when God calls,

I’d better answer.

I want you to know that you can never lose out by giving your all to Him.”
