REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDIMUBENYA

Pastor Anna and her team are celebrating with grateful hearts for the abundant harvest God has provided through the agricultural project! In particular, the corn harvest yielded nearly 14,000 pounds of produce! This harvest will help support the ministry's ongoing needs while also providing for members of the community and creating meaningful opportunities to share the love of Christ in a tangible and practical way.

Throughout the planting and harvest season, Pastor Anna worked faithfully alongside her team, planting, watering, and tending the crops. Her heart is not simply to oversee the work, but to serve shoulder to shoulder with those around her, leading by example with humility, diligence, and faithfulness. She desires for her team and the surrounding community to see the love of Christ demonstrated not only through words, but through action, sacrifice, and servant leadership. Pastor Anna believes every seed planted represents more than a future harvest — it is an opportunity to teach stewardship, perseverance, unity, and dependence on God's provision. Through this project, she hopes people will witness the faithfulness of God in both the spiritual and practical areas of life, understanding that the Lord cares deeply for His people and provides for their needs in remarkable ways.

Her prayer is that this harvest would nourish not only bodies, but hearts as well, serving as a testimony of God's goodness and a reminder that when we faithfully labor unto the Lord, He brings increase in His perfect timing.

*"For you shall go out with joy,
And be led out with peace;
The mountains and the hills
Shall break forth into singing
before you,
And all the trees of the field shall
clap their hands."*

Isaiah 55:12 (NKJV)

This verse reminds us that God's restoring work is unlimited. Not only is it unfolding in our own lives and communities, it reaches the nations and brings hope to those who feel far from it. Those who walk in uncertainty are not abandoned; they are being led out of difficult seasons with joy and in peace. God is actively bringing restoration to broken places as we partner with Him, and His purposes extend to every corner of the earth! Nothing is too dry, broken, or distant for His life-giving work.

Where He moves, hope is rekindled! How faithful and wonderful is the God we serve!

We are truly thankful for our ministry partners who stand with us in this mission. Your generosity and faithfulness enable us to continue sharing God's Word and reaching people across the world with the hope of the gospel. Thank you for being such a tremendous part of helping us to

"Reach Around the World with the Word."

PASTORS SUKUMAR & ESTHER TATAPUDI

Pastors Sukumar and Esther recently led a beautiful and joy-filled Thanksgiving prayer gathering at Jesus Glory Church in India. It was a special time of worship, prayer, and gratitude as the church family came together to praise God for His faithfulness and provision. Hearts were encouraged, prayers were lifted up, and the presence of the Lord was felt throughout the gathering. The ministry is deeply thankful for all God continues to do in and through the church community.

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

Pastor David and his ministry team gathered for Sunday worship at the Jaipur prayer house recently and were blessed to welcome several new visitors to the meeting. The service included teaching Hindi worship songs and sharing the Gospel message with those in attendance.

Pastor David preached the Gospel, while Emmanuel helped interpret the message so everyone could clearly understand. Following the service, food was provided for everyone who attended, creating a meaningful time of fellowship and connection within the community. Despite the intense summer heat in India, with temperatures currently reaching 42°C (107°F), the ministry continues faithfully sharing the love of Christ with those around them.

Pastor David and the team are very thankful for your continued prayers and support.

“Write the vision, make it plain,
You have elders to ordain.
Found new churches by the cluster,
God’s own soldiers you must
muster.

Do not leave My babes to lie,
As a prey for Satan’s sly.
Plant a fellowship so strong,
To protect from sin and wrong.

In my Church they’ll be secure,
By My blood they’ll be made pure.
Train them up to be God’s force,
By His Spirit He’ll endorse.

As new churches cluster up,
God will fill up every cup.
Send them forth to reap God’s field,
Eternal souls will be their yield.

Pastors, Prophets, Teachers too,
He will raise up not a few.
Evangelists will win the lost,
We’ll build His Church what’er the
cost.

New men will rise and grasp the
vision,
Prophets, Apostles sent on a
mission.
All working together as servants of
God,
To establish each church in
doctrine and Word.”

JOIN US IN PRAYER!

We invite you to join us in prayer for our ministry centers in India as they face a growing increase in persecution against the Church.

Pray for protection over pastors, staff, and congregations and that God would surround them with His peace and keep them safe in every circumstance. Ask for wisdom and courage for local leaders as they continue to serve faithfully and share the gospel in challenging environments. Pray also for unity and endurance within the Church, that fear would not take root, but that hope and boldness would remain strong.

We trust in God's unfailing faithfulness, provision, and protection in all circumstances, and that His light continues to shine undimmed in the face of darkness.

We are grateful for your faithful prayers and support in this season!

DID YOU KNOW?

Did you know that India is the world's most populous country, home to over 1.4 billion people and hundreds of languages spoken across its regions? It is also one of the oldest continuous civilizations, with the Indus Valley dating back more than 4,000 years. India is the birthplace of major world religions such as Hinduism, Buddhism, Jainism, and Sikhism, and it has one of the largest railway networks on the planet, carrying millions of passengers every day. The country is also a global hub for technology and innovation, with Bengaluru often called the "Silicon Valley of India." From the towering Himalayas in the north to tropical coastlines in the south, India's cultural and geographic diversity is among the richest in the world. It is within this vast and diverse landscape that we have the privilege of sharing the Gospel and the love of Christ, bringing hope and the message of life to communities across the nation.
