REACHING AROUND THE WORLD WITH THE WORD

NHMI, Tanzania, Africa

PASTOR ANNA KAPUFI NDIMUBENYA

Pastor Anna had the joy of serving as guest of honor at a celebration for secondary school students graduating and moving on to the next stage of their education. She presented certificates recognizing their commitment to attending their Bible studies and Sunday fellowship during their time at school.

We're thankful for these young people and proud of the time they've dedicated to learning about God and His Word. Guiding and encouraging them in their faith is an important part of our ministry, and we pray they will carry what they've learned with them as they move into this next chapter!

In addition, we praise God for the construction now underway on the ministry center in Tanzania. This building will serve as the headquarters for New Harvest, providing a central base for coordinating the ministry's work and supporting its day-to-day needs and will also serve as the residence for Arch-Bishop Anna. We are grateful for the progress made so far and for everyone whose prayers and support are helping make this vision a reality. Once completed, the center will strengthen the ministry's ability to serve and support its work as it continues to grow. We are grateful for the generous partner whose donation made the completion of this project possible.

""Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus."

1 Thessalonians 5:16-18 (NIV)

As Thanksgiving approaches, many of us naturally reflect on God's blessings in our own lives. Yet Scripture reminds us that gratitude is more than a seasonal feeling. It is a way of life rooted in trust in God's unchanging goodness.

As we reflect on the past year, we are especially thankful for the ways God continues to reveal His heart for the vulnerable. Time and again, He has shown Himself to be a Father to the fatherless and a defender of widows. Through the generosity of His people, widows are being cared for, orphans are finding hope, and those who were once far from God are hearing the gospel and entering His Kingdom.

We are also deeply thankful for our ministry partners. Through your prayers, generosity, and faithful support, you are helping share the love of Christ, care for the vulnerable, and bring hope to communities around the world. Your partnership is a vital part of what God is doing through this ministry. Thank you for joining us as we continue to "Reach Around the World with the Word!"

Light Way Ministries, India

PASTORS SUKUMAR & ESTHER TATAPUDI

We are grateful for the Gospel outreach meetings taking place in India, led by Pastors Sukumar and Ester. Through these gatherings, they are sharing the message of Jesus, encouraging people in their faith, and reaching out to communities with hope and compassion. Please keep the meetings, the pastors, and everyone attending in your prayers, asking God to guide their work and bless all who hear the Gospel.

Also be in prayer for the people in this region as a large cylone recently made landfall and there has been widespread flooding that has caused much damage and another cyclone is on the way.

FIAM, India

PASTORS DAVID, JOHN, EMMANUEL, & EDWIN VARGHESE

We rejoice and give heartfelt thanks to God for the opening and dedication of the new church in India, a truly exciting milestone for both the local congregation and the wider ministry. It was a special privilege for Pastor David to lead the dedication ceremony, setting apart this church as a place where people will gather to worship, grow in faith, experience fellowship, and hear the life-changing message of the Gospel.

As we celebrate this wonderful achievement, we invite you to pray that the church will be filled with God's presence, strengthened in faith, and used powerfully to reach its community for Christ. May it continue to grow, impact lives, and serve as a beacon of hope for many years to come.

"The closer we get to God the deeper our walk with Him becomes. His Holy Spirit constantly reveals to us everything in us that is not pleasing in His sight. So,

The Number of Requirements Goes Up

the more we walk inthe light of His Word."
