“REACHING AROUND THE WORLD WITH THE WORD”

John 7:38

*“Whoever believes
in me, as Scripture
has said, rivers of
living water will
flow from within
them.”*

When someone comes to faith in Christ, new life flows from within. It changes their motives and impacts their relationships. It gives their lives new purpose. Beginning inside one human heart, the love of Christ floods the world, person to person, household to household, community to community, country to country. Thank you for investing in the world-transforming mission of “reaching around the world with the Word.”

Zambia: Pastor Geoffrey Chibuye reports that ministry territories continue to expand outside of their town. In a recent meeting, many people with illnesses and demon possessions came forward for prayer, and God healed and freed all of them! As a result, 983 souls came to Christ that day! That brings the total for the last month up to 1,953 new believers! Praise God! Prayer is needed for the following:

- His church is in need of a new roof, which will cost \$8,527.
- Money to provide food for elderly.
- His newly married son Meshach and his bride.
- His wife Vickness to keep diabetes under control.
- His daughter Minerva who is pregnant and experiencing serious health complications.

Please pray for God’s provision for these needs, and direction as to how you can help.

Tanzania: Pastor Laban Ndimubenya reports that flooding has demolished trees that were planted for timber, and more young trees are endangered by the flooding. Workers are ready to dig water outlets to release the water, and plant replacement trees. An additional 20 acres have been prepared for the planting of more timber trees, and supplies to create the tree beds are being gathered.

A church family in Mpanda is building a new church using their own resources, but our support is also needed. The total support required to meet all of their needs comes to \$2,000. Prayerfully consider how you can help. Also pray for Pastor Laban in the loss of his mother who recently went to be the Lord. After having also lost his father and brother within the last 9 months, you can imagine the sorrow that he and his family are experiencing.

Cuba: Pastor Rene Rodriguez and his family have been given the incredible opportunity to move from their small apartment into a three-bedroom, fenced and gated house with an attached garage. The house was made available to them by a family in their congregation who is emigrating to the United States. This home will provide more safety for Pastor Rene, his wife Neicy, and their two teenage daughters Larissa and Melissa, as well as move them closer to the hospital. Neicy's life-threatening health issues make this a necessity. More details regarding this house will appear in our next newsletter. Please consider helping us raise the \$50,000 that will make this possible.

India: Pastor David Varghese reports that the orphans are doing well, and exams for the 10th, 11th, and 12th grade students have begun. At the end of April when the exams have concluded, they will have one month off for summer vacation, resuming classes on June 1st. A new semester has begun at the Bible College, where they are training more workers for the harvest. The college gives them instruction in Hermeneutics, Missions, Homiletics, Christian Ethics, and Pastoral Theology. The government closely monitors the orphanages, and recently informed them that one of the boys' orphanages is only permitted to accommodate 17 children. More dormitories must be built in order for them to continue caring for their 22 boys. Please pray for direction and provision in meeting these government demands.

Karivelli lives in a New Harvest orphanage in the state of Andhra Pradesh, India. On July 8 she will be 7 years old. She loves to dance, and thanks to your support, she has heard the call of the Father, and will one day join Israel when they take up their timbrels and "go out to dance with the joyful." Jeremiah 31:4
