“REACHING AROUND THE WORLD WITH THE WORD”

**2 Corin-
thians 4:18**

***“So we fix our
eyes not on
what is seen,
but on what is
unseen, since
what is seen is
temporary,
but what is
unseen is
eternal.”***

**Carrying the
Gospel to
unreached
souls shines
the light of
hope into lives
still living in
darkness. It
allows them to
look beyond the
temporary
struggles of
this life into the
eternal joy
available to
them through
the promises
of Jesus Christ.**

Herbert Stewart: February 14, 1932 - October 31, 2018

It was the annual Fair Day in Monaghan, Ireland. Local farmers brought their livestock and produce to the town to be sold. Each one hoping for the best price in order to have provision for their family for the next year.

A young farm boy named Herbert Stewart was walking the streets taking in all of the sights and sounds when he saw a few of his friends on a nearby street corner. These young men were taking turns reciting a passage of scripture and saying a few words about the passage. Herb went over and stood with them as they witnessed on the busy street. As one finished speaking, he put his hand on Herb's back and shoved him off of the curb and into the street and said, “Herbie, it's your turn to preach.” Totally surprised and taken off guard, yet as Herb's foot hit the street, he heard himself quoting Acts 4: 12 – “Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved.” He spoke for a few moments and then joined the others on the curb.

Herbert Stewart had preached his first message. It was merely the first of many as Herb answered the evangelistic call God had placed upon his life. That call was to take him to many nations on four continents preaching the gospel of Jesus Christ and leading multitudes into salvation. New Harvest Ministries International, the ministry he founded, continues to promote and expand the vision that was in his heart. In fact, that ministry is growing at a phenomenal rate. More churches are continually being birthed and native pastors and evangelists are being trained to reach their countrymen. The orphans and widows are housed, fed, clothed, educated, and loved. Fresh water wells are bringing life-giving water to people in remote villages across India. It has been a great privilege to serve in ministry with Brother Herb for these past 30 years and to travel with him to the nations. January 1, 2015, Herb transferred the reins of this ministry into my hands. I am honored now to run with the vision, move this ministry forward, and expand its impact in the years ahead. Thank you for your prayers and support. Help me now to honor Herb and the great legacy he left us, as we press on to new heights and expand the kingdom of God.
