“REACHING AROUND THE WORLD WITH THE WORD”

Isaiah 9:6

***“For to us a child is
born, to us a Son is given,
and the government will
be on His shoulders.
And He will be called
Wonderful Counselor,
Mighty God,
Everlasting Father,
Prince of Peace.”***

While the earth continued to turn, life momentarily paused for a young couple as they watched over the Son of God who slept in a manger nearby more than 2,000 years ago. Tamil Nadu, India continues to recover from cyclone Gaja that hit on November 16. Millions in Africa have yet to hear the name of Jesus Christ. The church in Cuba still fights the oppression of the government. And on December 25, life will momentarily pause as we again gaze upon the infant face of our Savior, Jesus Christ, and praise God for the hope that He brought to this chaotic world.

India: Cyclone Gaja hit parts of Tamil Nadu, India on November 16, killing 48 and destroying thousands of homes and businesses. The area is still without electricity. The Varghese family and Faith In Action Ministries are unharmed and plan to assist those affected by replacing roofs on homes. Please pray for recovery efforts.

Pastor David's church at Puthukudi has grown and needs an extension. Ammie Bouwman and the supporters of For His Glory Ministries were able to provide the needed funds to complete this extension and the plans for construction are under way!

Pastor John's church has experienced great persecution this year. He has acquired the court's permission to continue services, but the police are corrupt and do not allow more than 10 people to attend. Outsiders are also prohibited from gathering with them. Please pray for the hearts of the persecutors to be changed by the love of Jesus, and for the safety of God's church in India.

The well at Nagpur is functioning properly. The people are grateful for the ability to drink and wash in clean water whenever needed. FIAM is moving forward with plans to build a 500 sq. foot prayer house near the well for the new growing church.

It will contain a prayer hall, bedroom for the pastor, and kitchen.

Tanzania: New Harvest Bible College of Tanzania held their graduation ceremony on November 18, 2018. Eighty-eight students have earned their one-year certificates by completing three trimesters of classes. Thirty-one students earned diplomas for completing two years of classes. They are trained and ready to begin bringing in the Lord's harvest.

The Bible colleges use a video curriculum to educate the ministry students, and greatly need new, properly functioning dvd players and projectors or televisions. Prayerfully consider helping them with this \$1,500 need.

Rebuilding of the church at Nyargusu Refugee Camp that collapsed last year continues to progress. The shell is completed, and they are currently laying stones over which they will pour concrete for the floor.

Pastor Laban recently held the annual Pastor's Conference in Mpanda. Church leaders from Tanzania, Uganda, Burundi and Congo attended, receiving training, support, and encouragement. Powerful times of worship and communion took place.

S. Alwin
Std. III

Train

Eight-year-old Alwin lives in the orphanage in India. He enjoys running and playing Soccer and tag. He does very well in school and plans to be a police officer. His favorite Bible verse is Psalm 103:8, "The Lord is gracious and compassionate, slow to anger and rich in love." Thank you for giving Alwin hope for his future.
