*"REACHING AROUND THE WORLD WITH THE WORD"*

*Psalm 127:3*

*"Children are a heritage from the Lord, offspring a reward from him."*

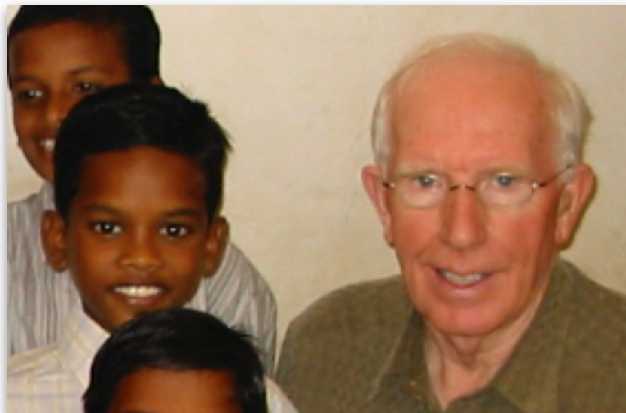

The beginning of our ministry in India many years ago included building a home for orphaned children who were living with Pastor David Varghese and his family. Since that time, many have grown up, completed their education, and returned to help care for other children who are left at Pastor David's door. Your partnership allows these miracles to occur.

*India:* The orphans wrote their final exams last month and their summer vacation began on April 13. The next school year begins on June 1, 2019. The orphanage will be painted during the summer vacation in order to meet inspection requirements.

Pastor David recently traveled to Bhatlakuntu to repair a water pump, as the village is in its greatest need of fresh water during these hottest days of the year. He encountered a man whom they had previously prayed over because he was suffering from insomnia and it was affecting his mental health. During this visit, they found him healed and looking for a job! Praise the Lord!

Murugesh arrived at the Gilgal Boys' Home as a small child after both of his parents passed away. He grew up in the orphanage and continued his education in civil engineering, while staying at Gilgal to help maintain the grounds and care for the other orphans. He also plays the keyboard in Pastor David's church. He finished his final exams to become a civil engineer on April 12 and plans to work for a company in India.

*India Cont'd:* We are only \$2,269.50 away from the \$6,000 goal to purchase a new (used) bus for the boys' orphanage. The bus provides transportation to school for the boys who are too young to ride a bicycle, for field trips, and for all other transportation needs. It is also used to drive Pastors Dale and Jeanne Scholten around the country to visit bore well sites and churches when they visit. Please consider helping us provide for this need.

Pastor David reports that Mother Varghese is recovering from her leg pain and is grateful for your prayers.

Pastor John's church is still under a court order from a lawsuit that was filed last year prohibiting more than 10 people to attend at a time. Please pray for him, his family, and his church as they stand on the promises of Christ and fight in the power of the Holy Spirit against this persecution. Also pray for the hearts of the persecutors to be filled with the love of Christ.

*Tanzania:* Last year, 237 youths attended Pastor Laban's first youth conference in Mpanda and asked him to hold one every year. He plans to hold a second conference at the end of June. He anticipates at least 200 youths from Tanzania and neighboring countries to attend. Pray with us for the Holy Spirit to move powerfully through their young hearts.

A young man who worked with Pastor Laban for five years graduated from NHM Tanzania Bible College and planted a church in Tabora. The Lord has blessed his new ministry with growth and his church has been able to financially support some of the other new churches! Praise the Lord for His abundant provision!

## Tanzania Cont'd:

The new church building near Dar es Salaam has been roofed and is ready for final construction. Pastor Laban states that 70% of the church members work for the Tanzanian government. Pray for their influence in the government and prayerfully consider helping with this financial need.

Church before roof.

*Projects:* Here are some projects available for your church or group to adopt:

Shrivilipther Church floor, door, electrical \$1,000

India Convention Center Foundation \$18,450

*"...to look after widows and orphans..." James 1:27*

Sujin and his younger brother were recently surrendered to the Gilgal Boys' Home in India by their mother. She has been unable to provide for them since the desertion of their father. Sujin is in the 4th grade and will turn nine years old on July 28, 2019. He does well in school and enjoys playing Cricket. He hopes to become an attorney when he grows up. His favorite Bible verse is Psalm 15:1, "LORD, who may dwell in your sanctuary? Who may live on your holy hill?"

Thank you for providing family, home and hope for Sujin.
