"REACHING AROUND THE WORLD WITH THE WORD"

Isaiah 12:5

*"Sing to the Lord,
for He has done
glorious things:
let this be known
to all the world."*

We sing a song of freedom. The song began when the first person believed in the name of Jesus Christ, and it will continue until He returns. We sing it from the roof tops and in the valleys. We sing it when the sun shines and when the storms blow. We sing it at home and in the farthest countries. We will sing it until our last breath, and then we will sing it before our Savior.

Tanzania: From May 23 to June 17, Pastor Laban plans to visit the mission areas of Tabora, Dodoma, Morogoro, and Dar es Salaam. These are the locations of the NHMI Tanzania regional church headquarters. He also plans to attend the annual Pentecostal Church Council in Dodoma. Please pray for his safety and consider helping meet the \$1,000 budget for this essential tour.

Two new classrooms are being built onto the school building for the fast growing nursery school. (Construction photos on the right). These rooms will also function as dorms for the 200 youth who are anticipated to attend the youth conference being held July 2-7. Pastor Laban needs \$3,200 to hold the youth conference. This construction includes moving and enlarging the crusade platform for the open-air meetings, which makes it viewable from more angles by more people. (Side view from old platform pictured below).

Tanzania cont'd:

Properties in Tanzania are surrounded by a fence or a wall for security. Pastor Laban removed a wall that separated the church from the house that was recently purchased and will become a home for Pastor Laban and a headquarters and office for the ministry when remodeled. He expanded the wall around the church to include the house, the school, the bathroom building, and the crusade platform.

Heavy rains created soil erosion and caused their septic system to collapse, leaving a large hole in the ground behind the bathrooms. A new septic tank is being designed for their needs. They also replaced the previous single bathroom with a new four-stall bathroom building. This will be more useful and sanitary for the growing congregation, youth conference, and crusades.

India:

Pastor David has been granted permission to build a prayer house near the well in Nagpur (pictured on the right). After reviewing the plans for the prayer house on May 27, he also planned to travel to Madhya Pradesh to examine land that is available for a new bore well.

The children are on summer vacation until June 1. During this time, Faith in Action Ministries is holding Vacation Bible School for the children in the area.

The FIAM general convention was held April 25-28. Many gave their lives to Jesus Christ, turning away from idol worship. Eight were baptized.

Gilgal Boys' Home is taking in more children this year. It is a privilege to care for more children, but it places a strain on their very tight budget.

India cont'd: A 2015 mini bus in good condition was located for the Gilgal Boys' Home to purchase. As this bus is newer than they anticipated, the total cost will be \$7,142. We are only \$3,411.50 away from this total. Prayerfully consider helping them cover this expense. Also pray that all of the purchase paperwork goes smoothly.

Projects: Here are some projects available for your church or group to adopt:

Recording keyboard for Tanzania	\$3,000
Prayer house in Kavilpattie	\$8,500

"...to look after widows and orphans..." James 1:27

Sujin and his younger brother were recently surrendered to the Gilgal Boys' Home in India by their mother. She has been unable to provide for them since the desertion of their father. Sujin is in the 4th grade and will turn nine years old on July 28, 2019. He does well in school and enjoys playing Cricket. He hopes to become an attorney when he grows up. His favorite Bible verse is Psalm 15:1, "LORD, who may dwell in your sanctuary? Who may live on your holy hill?"

Thank you for providing family, home and hope for Sujin.
