"REACHING AROUND THE WORLD WITH THE WORD"

Psalms 33:20

*"We wait in hope
for the Lord; He
is our help and
our shield."*

**Misplaced hope
leaves us exposed
and unprotected.
Trusting in our own
abilities to face the
storms of life will
cause us to fall or
flee. However,
placing our hope in
the unchanging
character of the
Lord causes our
feet to be rooted in
the power of His
truth, and like a
strong tree, we
withstand the
winds and rains
that may try to
overwhelm us.
"Now thanks be to
God who always
leads us in triumph
in Christ..." 2
Corinthians 2:14**

India: Pastor David Varghese is in the process of purchasing this 2015 bus for the Gilgal Boys' Home. It is newer and in better condition than they expected to find. Please help us provide the remaining \$2,911.50 that is needed.

The boys' orphanage has accepted five new children. Four staff members now provide love, food, clothing, shelter, emotional support, and education for fifteen hurting orphans. Due to the size of their building, the government will only allow 17. With summer vacation ending on June 3, they had to purchase books, school supplies and uniforms. All of the children graduated to the next grade.

Pastor Emmanuel reports that the Elizabeth Day School is doing well. His daughter Rufa is finishing 5th grade, which is the highest grade that the school currently has room for. They will need \$15,384 to build an upper floor with three new classrooms before they can offer 6-8th grades.

The church at Sriviputhur (pictured on the right) is almost complete! Only electrical work and flooring are left before they hold the dedication ceremony. Faith in Action Ministries plans to dedicate it in memory of Brother Herb Stewart.

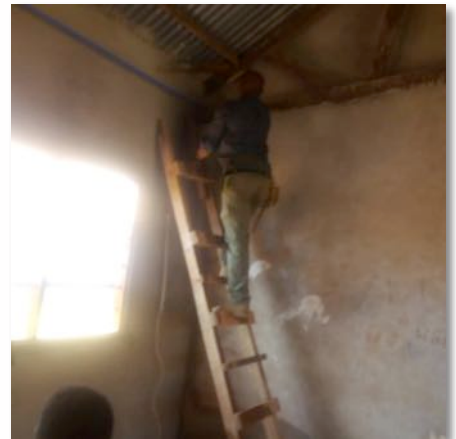

Tanzania: Pastor Laban safely returned from a successful trip to the mission fields of Tabora, Dodoma, Morogoro, and Dar es Salaam. Upon his return, organizing and overseeing the construction work on the ministry campus became his top priority. Workers completed the electrical work, installed plaster and cement flooring, roofing, and painted the new classrooms, which will be used as dorms for the students who are attending the youth conference this month. They also dug a hole to install the new septic system, replacing the one that was destroyed by heavy rains in May. The foundation and poles for the new open-air meeting platform has been installed. They are working hard to complete the platform structure and roof in time for the crusades in August.

Roofing the new addition.

"...to look after widows and orphans..." James 1:27

Saujin is one of five new orphans at the Gilgal Boys' Home in India. After his father deserted the family, his mother was not able to support him and his brother. This forced her to surrender them to Pastor David and the Gilgal staff. She is grateful to them for giving her boys what she could not.

Saujin will turn six-years-old on Christmas Eve. He enjoys playing hide & seek and does well in school. He plans to be a heavy equipment operator when he grows up. His favorite Bible verse is John 1:3, "Through Him all things were made; without Him nothing was made that has been made."

Thank you for giving Saujin and his family hope.
