*"REACHING AROUND THE WORLD WITH THE WORD"*

*John 10:27*

*"My sheep listen  
to my voice; I  
know them, and  
they follow me."*

We are sheep. We belong to the Shepherd. Upon entering the Shepherd's care, we became responsible for speaking His truth to the lost sheep who still wander in darkness. So, we join together, hand in hand, and walk the countryside, speaking His words, proclaiming His truth, and bidding our lost brothers and sisters to join His flock, praying that they, too, will recognize His voice.

## *Tanzania:*

New Harvest Bible College of Tanzania will hold their graduation ceremony on October 20, 2019. Forty-one (41) students have earned their one-year certificates by completing three trimesters of classes. Seventy-six (76) students have earned diplomas for completing two years of classes. They are trained and ready to bring in the Lord's harvest.

The gate in front of Pastor Laban's church has been updated with the cross of Christ, showing all who pass by that hope is available within.

The new conference platform on the church grounds is coming into shape.

*India:* The Gilgal Boys' Home currently houses 13 orphan boys. As the government recently granted permission to house 17, they anticipate receiving four more soon. To care for these boys, Pastor David must pay for electricity, telephone, healthcare and medication, food, gas, firewood, clothing, school tuition and fees, and maintaining modes of transportation. On staff they have a warden who documents the daily lives of the children to report to the government each month, a watchman who is responsible for the safety and security of the facility as well as taking the boys to and from the bus stop for school, a cook, and a counselor as required by the government. Please pray and consider how you can help them continue their hope-giving mission.

The Gilgal boys are lined up to greet Pastors Dale and Jeanne at their home.

They are only \$1,316.50 away from buying the orphanage bus! Can you help them reach their goal?

Pastor Edwin, Deepthi & Nathan.

Pastor Edwin's new church in northern India is growing and in need of a church building. He is currently looking at a parcel of land in Odhan, Haryana state. Land, registration fees and well installation will cost \$8,400. Please pray for God's provision in this need.

Pastor David requests prayer for their application to build a prayer house in Nagpur to be considered and granted. Also pray for the needed funds to complete the building on the conference grounds for the hundreds of people who attend each year.

Each boy needs family, friendship and guidance.  
Each boy needs love, comfort and hope.
