*"REACHING AROUND THE WORLD WITH THE WORD"*

Deuteronomy  
11:18

*"Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads."*

We dig wells, feed orphans, house widows, build churches, care for refugees, and train pastors. We do all of these things to carry the life-changing Word of God to the lost and teach them to fix, tie and bind it to their lives.

*Tanzania:* The dispensary staff was so blessed and grateful to receive the donated medical supplies. They will go far in helping them care for the medical needs of the people in Mpanda. They currently need larger items like operating and exam room lighting, sterilization and cleaning equipment, stretchers and bedding.

*Remember to RSVP!* Our annual Spring Banquet will be held on Saturday, March 14, 2020! *India:* The conference grounds in Tamil Nadu, India provides a place for the Faith in Action Ministries Int'l (FIAM) annual convention. FIAM Pastors and church members from all over India gather for four days of meetings that include teaching sessions for the believers and open air meetings, where believers and people from the surrounding area hear the Gospel. The land was purchased by FIAM with the help of New Harvest Ministries Int'l.

The participants travel from all parts of India and stay on the property during the convention. They sleep in makeshift tents and shelters, and are fed by the FIAM staff with rice and curry, cooked on open fires.

Phase 1 of construction was funded and completed by the fund-raising efforts and work of FIAM pastors and members. They are currently working on Phase 2, which will provide a partially enclosed pavilion as a second story over the kitchen/eating area for housing the participants. Extending from this structure would be another partially enclosed pavilion, providing 1,000 square feet for the convention meetings. Much of this construction will also be completed by the members and pastors.

This convention center will also be utilized for several pastor and leadership seminars throughout the year, as well as graduation ceremonies for the Bible College graduates. It can also be rented out to other church groups to generate additional funding for the ministry.

Pastor David's staff is in the process of painting the boys' orphanage. They are also still looking for a new van that will meet the government's requirements. Please pray for wisdom in their search.

Pastor David's church would like to purchase a cemetery. When they bury their people on non-Christian land, they are charged heavy temple taxes and forced to implement non-Christian rituals and ceremonies during the funeral services. Please pray for God's provision in this matter. Also pray for hearts to be changed.

The mutation work for the prayer house in Chennai is completed. Please pray that the rest of the paperwork that Pastor David has filed will be processed in a timely manner.

*India cont'd:* The revenue department has delayed in granting a church permit to the Sriviliputhur church, which has also delayed the connection of electricity. Pastor David plans to meet with the newly elected village president to discuss the issue. Meanwhile, Pastor Raveendran has requested a transfer due to his wife's health, but would like to hold a prayer meeting in the new building before he leaves, so they held the dedication ceremony and first prayer meeting on February 24 without electricity. Please pray that the hearts of those in authority will be moved to action.

*Projects:* Here are some projects available for your church or group to adopt:

Bus for day school \$7,000

Ministry vehicle for Pastor Laban \$6,000

*"...to look after widows and orphans..." James 1:27*

Nine-year-old Alwin lives in the orphanage in India. He likes running and playing Soccer and tag. He does very well in school and plans to be a police officer when he grows up. His favorite Bible verse is Psalm 103:8, "The Lord is gracious and compassionate, slow to anger and rich in love." Thank you for giving Alwin hope for his future.
