

New JANUARY 2024 HARVEST MINISTRIES Int'l Inc

"REACHING AROUND THE WORLD WITH THE WORD"

"But also for this very reason, giving all diligence, add to your faith virtue, to virtue knowledge, to knowledge self-control, to self-control, perseverance, to perseverance godliness, to godliness brotherly kindness, and to brotherly kindness love. For if these things are yours and abound, you will be neither barren nor unfruitful in the knowledge of our Lord Jesus Christ."

2 Peter 1:5-8

As we launch into the New Year, may it be one of advancement and progression as we add to our faith day by day and bear the fruits of love that draw those around us to the saving knowledge of Christ! How awesome is this love that extends to all peoples in all nations and sets the captives free, cares for the orphan and widows, and tenderly calls all men to the Father.

We are grateful beyond words to you, our ministry partners, for your faithful support and prayers over the years. And we are excited to join hands with you once more in this New Year as God continues to move in mighty ways that touch the whole earth. Thank you for helping us "Reach Around the World with the Word!"

A **NEW WELL** has been drilled and installed in the **RR Village Colony**! Thanks to a generous donor, this small village now has access to **clean drinking water** and an inroad for the message of **salvation**.

The month of December was very busy for Pastors Sukumar and Esther as they held **Christmas celebrations** in several locations around Andra Pradesh. In these meetings, they were able to **bless** unreached **tribal villages**, the **children** at the Care Centers, and many **local Pastors** through preaching the Christmas story and giving out gifts of food and clothing.

For Christmas, Pastor David shares the **orphans received new shoes** as Christmas presents as well as fabric for **new clothing**. And even though they enjoyed their time off from school, they needed to **study** for several exams marking the **half way** point through the school year.

Construction on the **Jaipur Prayer house** continues! The foundation work is completed and after the holidays, the team will be heading back out to the building site to keep working.

Along with this, Pastor David reports that in 2023, **150 NEW BELIEVERS** accepted Jesus into their hearts and there are more than **2,000** believers in **all the New Harvest Churches** FIAM supports. They have also been busy completing an **extension** on Pastor John's church (pictured below). Strong rains and major flooding have made travel difficult but God has **faithfully protected** them!

Held at **9AM** the **2ND** Saturday of each month at the NHMI office.

Following the agricultural project started a number of years ago, NHMT also began a “**pig project**.” Over the course of 2023, they began to raise a small herd of pigs. Last month, they were very excited to share pictures of their very **first litter of piglets**!

God continues to bless the many works being done in Tanzania and Pastor Laban and Anna are **overjoyed** at the work He is accomplishing in Africa. **Thank you** for partnering with us to spread the Gospel and bring hope, joy, and new opportunities to grow in the nations!
