"REACHING AROUND THE WORLD WITH THE WORD"

"And now, just as you accepted Christ Jesus as your Lord, you must continue to follow Him. Let your roots grow down into him, and let your lives be built on Him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness."
Colossians 2:6-7 (NLT)

As we witness the beautiful growth of God's magnificent creations this Spring, may we too continue to grow, developing our spiritual roots as we dive into the vast riches of the revelations He has for us in His word! We praise God as we watch the churches mature and flourish in Africa, India, and the nations. How beautiful to see the body of Christ caring for the needs of widows, orphans, and those without as they demonstrate the love of Jesus.

Thank you for being a part of expanding the kingdom of God around the world! We are blessed beyond measure to have you as our ministry partners.

Your care, prayers, and financial support continues to help us touch countless lives as we "Reach Around the World with the Word."

Every year in April, the New Harvest churches throughout Africa host an **evangelistic outreach event** called "Visitor's Sunday."

Taking place on **April 14** this year, NHMI churches invited those who **don't attend church** in their respective communities to **come and experience** what it is all about!

After the service, they took time to **fellowship with one another** as they joined together in song, dance, praise, and worship to the Lord. In addition to this, **a meal was provided** to bless these individuals, their families, and give them a **taste of Christ's love**.

Not only is New Harvest planting **new churches** every year; the ones that have been established are **continuing to grow**! A church that began 2 years ago now has 37 members. Another church Pastor Laban and Anna recently visited is 3 years old and also doing very well, Hallelujah!

The **34TH Annual Convention** took place **April 18-20**. It began with a well attended **Pastors Conference**. Many leaders and missionaries participated. They also had a **ladies** and **youth meeting** where many gathered and worshipped together and were **encouraged by the Word of the Lord**.

Following the Convention, they held a **baptism service** on April 20, where those who wanted to publicly profess their belief in Jesus as their Lord and Savior could do so as an **exuberant expression** of their **new life in Christ**.

India: Lightway Ministries

Early in April, Pastor Sukumar had the great privilege of **officiating** and **blessing the marriage** of a young couple in Andra Pradesh.

Throughout April, they also conducted several **special gatherings**. These included a thanksgiving prayer meeting, a Shalom blessing festival, as well as gospel outreach events in various villages.

In addition to this, Pastors Sukumar and Esther have been busy with the ongoing construction of the **New Jesus Glory Church**. They are grateful that, by the grace of God, the work is going smoothly!

Held at **9AM** the **2ND** Saturday of each month at the NHMI office.

New Harvest is raising support to build a **state of the art head quarters** building in Mpanda, Tanzania. This will allow Pastor Laban a work space to **coordinate the growth and development** of NHMIT's 216 churches, 7 bible colleges, nursery school, medical clinic, brick making factory, metal shop, and agricultural project, to name a few. Along with this, it will afford visiting Pastors and ministers a place to stay during their travels!
