"REACHING AROUND THE WORLD WITH THE WORD"

*"So now wrap your heart tightly around the hope that lives within us, knowing that God always keeps His promise! Discover creative ways to encourage others and to motivate them towards acts of compassion, doing beautiful works as expressions of love."
Hebrews 10:23-24 (NLT)*

With the joys and busyness of summer just around the corner, may we continually discover ways to build each other up and encourage one another in the Lord, demonstrating the goodness of our God to everyone we encounter! How beautiful it is to watch this love being poured out on the orphan, widow, and the hopeless by our brothers and sisters in the nations. We praise God for the works He is doing both abroad and in our own communities.

Thank you for your generous heart and sacrificial support to spread the Gospel to India, Africa, and the rest of the World! God has used your giving in ways beyond what we could have ever asked or imagined and He continues to bless and multiply what has been given. We're excited for the future as we continue to "Reach Around the World with the Word!"

Tanzania

Upon returning to Tanzania from their visit to the United States, Dr. Laban & Anna **stayed in Dar es Salaam** to conduct business there for **6 weeks**.

When they finally landed in **Mpanda**, they were **joyfully greeted** by dozens of people at the airport. This was followed by a special welcome home and **thanksgiving celebration** at the church which involved a cake, times of praise and worship, the word, and fellowship!

While Dr. Laban and Anna were in Dar Es Salaam for those 6 weeks, they had the opportunity to **visit** and **encourage numerous churches** on the East side of the country. The majority of these are relatively **young** New Harvest churches, having been founded only **1-4 years ago!** They are continuing to grow as they are led by dedicated pastors, many of whom are graduates of the Bible college.

The New Jaipur Prayer House!

India: FIAM1

After months under construction, the Jaipur Prayer house has **reached completion!** All it needs now are some **finishing touches** such as paint and furniture as they get it ready to become a place where everyone can gather together and **worship the Lord.**

We **praise God** for the hardworking **men, women,** and the **donors** who were such a vital part of making this long awaited prayer house a reality. Countless hours of energy and prayer went into this project and we are thankful for their **diligent efforts!**

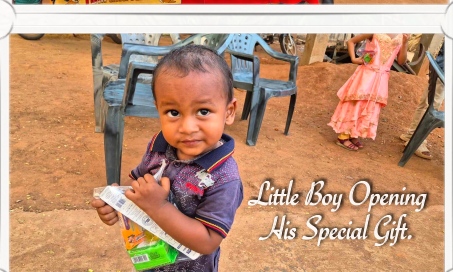

The Soon to be Kitchen

India: Lightway Ministries

Amidst working hard to finish up the new Jesus Glory Church, Pastors Sukumar and Esther visited one of the **local tribal villages** in Andra Pradesh and distributed **grocery** and **food kits** to the precious people who live there.

They also often supply special **dental packages** and **treats** for the young **village children.** Their desire is to be the hands and feet of Jesus and practically **demonstrate His love** in tangible ways.

Additionally, they had a special gathering for a time of prayer and thanksgiving.
