"REACHING AROUND THE WORLD WITH THE WORD"

"Because of the Lord's great love, we are not consumed, for His compassions never fail. They are new every morning; great is Your faithfulness. I say to myself, 'The Lord is my portion; therefore I will wait for Him.' The Lord is good to those whose hope is in Him, to the one who seeks Him."

Lamentations 3:22-25

How great is the goodness and the faithfulness of our God! When all else around us is shaking, how wonderful it is that we can say to ourselves the Lord is our portion and we will see the goodness of our God in the land of the living for His compassions never end. With hearts overflowing with gratitude, we watch His unending mercies at work in the nations as the hungry and thirsty are provided for, the widow and orphan loved, and the hopeless come into the joy of their salvation.

We praise God for you our ministry partners, who have joined us in sharing His compassions with countless men, women, and children. Lives continue to be touched and transformed as we "Reach Around the World with the Word."

Tanzania

Pastor Laban's associate pastor, **Ahadi** and his wife **Rehema**, recently spent time in the Republic of Burundi teaching a **3 day seminar** at the New Harvest **Headquarters** there. During this time of ministry, they shared from the **Word** as well as taught **lessons on entrepreneurship**.

In one of the church services, they were met by **7 backslidden Christians** who wanted to **recommit their lives to Christ!**

Many Attended the Seminar!

Digging a New Well

A **NEW WELL** has been drilled in the **Katumba wilderness** area near one of the New Harvest churches in Tanzania! Pastor Laban and Anna are so excited for the **precious people** in this region who will now have access to **clean and pure water** and pray many will be **drawn** to the One who is the **Living Water!**

India: Lightway Ministries

God is using the **6 new wells** New Harvest has drilled in Andra Pradesh, India over the last year to bless many people in a great time of need. Due to continuous rains, many government **water systems are overrun** and not working. However the 6 new borewells NHMI installed are **functioning properly**, providing access to **clean water and hope** in this time of crisis!

Additionally, the Lightway Center Care Students have started their **new school year**. With classes just underway, Pastors Sukumar and Esther have purchased **school kits** for each of the **40 pupils**. These include text books, a school bag, a pair of shoes, stationary, a lunch box, and a water bottle!

India: FIAMI

The boys orphanage has been a busy place these last several weeks. **Fencing is going up** around the property and is progressing nicely.

The front side is nearly complete with only 10 feet left to go!

Along with this, the **cement floor** in the dormitory is scheduled to be renovated and the **toilets replaced** with new ones.

Two of the boys are **recovering from chicken pox** and have been quarantined so as not to spread it to the rest of the group.

As the Varghese brothers take care of the needs of the orphanage, they also had the recent privilege of holding a **baptism service** where several people public made a **profession of faith**!

Held at **9AM** the **2ND** Saturday of each month at the NHMI office.

We are located at:

FEATURED THIS MONTH

We praise God for the **NEW Jesus Glory Church** in Andra Pradesh, India! We are excited to see the many ways He is going to use this church to reach the lost with the message of salvation and hope!

As they work to finish furnishing this church and equip it to fully supply of the needs of the ministry, Pastors Sukumar and Esther are **praying** to be able to purchase a **quality PA system** for the building. This church is **3 stories tall** and often filled to capacity with those who gather there. Being able to hear what is being preached **anywhere in the building** would be a **tremendous blessing** for our brothers and sisters in Christ who attend.

If you or your church are interested in partnering with Pastors Sukumar and Esther in this purchase, let us know! The cost for a new PA system is **\$1,800** but the work it can accomplish is **priceless!**
