

New OCTOBER 2024 HARVEST MINISTRIES Int'l Inc

"REACHING AROUND THE WORLD WITH THE WORD"

"Don't be pulled in different directions or worried about a thing. Be saturated in prayer throughout each day, offering your faith-filled requests before God with overflowing gratitude. Tell Him every detail of your life, then God's wonderful peace that transcends human understanding, will guard your heart and mind through Jesus Christ.

Philippians 4:6-7 TPT

As the fullness of fall transforms the world around us, painting the landscape with vibrant colors, may we also continue to be transformed into the image of Christ! Saturating our days in prayer, gratitude, and faith filled requests, let us make Christ's peace the abiding place of our hearts as we watch His faithfulness at work in the care of the orphan, widow, and bringing hope and salvation to the lost.

In addition to this, gratitude flows from our hearts for you, our ministry partners, who faithfully support the work God is doing in the nations! We are blessed to call you our friends and partners as we continue to "Reach Around the World with the Word!"

Preaching the Word!

The **NHMIT Women's Conference** took place in September. It was a wonderful time of celebrating the **goodness of our God!!** Through the **preaching** of the **Word**, **praise**, **worship**, **fellowship**, and the laying on of hands in **prayer**; those who gathered here returned home refreshed and built up in their most holy faith!

Laying on of Hands in Prayer!

We invite you, our dear New Harvest partners, to join us in **lifting up Pastor Laban** and **Anna in prayer**. Currently, Dr. Laban is undergoing some **medical treatments** and both he and Anna would treasure your **support in prayer** through this process. As we join together, we expect to see **full restoration** and **health** as we declare the **name of Jesus** over this situation!

Flooding in Care Center Village

India: Lightway Ministries

In several areas of **Andra Pradesh** where Pastors Sukumar and Esther live and minister, **heavy rains** have caused severe **flooding** in many villages. Included in the areas affected, is one of our **Care Centers** for underprivileged children. Please join us in **praying the flood waters will dry up** in Jesus' mighty name and all the **provisions needed will reach** those going through this crisis.

Despite the challenges of the flooding, Pastors Sukumar and Esther have also had the opportunity to **celebrate the graduation** of their son, **Gary Ronald**! He has earned his **Bachelor's degree in Theology**!

Gary Ronald's Graduation!

India: FIAMI

The **Gilgal Boys Orphanage** in Tamil Nadu, hosted a **medical camp** in September. All the boys received a **physical examination** as well as any necessary **medication, free of charge**, as the local government agency sponsored the event!

Pastor David and many others gathered to **dedicate a NEW CHURCH** in the village of **Alamparai**! Pastor Paulraj will be serving as the lead Pastor here.

Additionally, Pastor David reports that the churches are **growing** and **many lives continue to be touched** by the borewells New Harvest has drilled throughout the country. Currently, it is the **hot season in India**, and through Pastor David's diligence in the **up keep** of these wells, they remain **fully functional**, producing **fresh, clean water** for the people during this vital time!

Dedicating a New Church!

Medical Camp

FEATURED THIS MONTH

We continue to praise God for the **NEW Jesus Glory Church** built in **Andra Pradesh**, India! We are excited to see the many ways **He is going to use this church to reach the lost** with the message of salvation and bring hope to the hopeless!

As new members start to attend, Pastors Sukumar and Esther are **praying** about purchasing a **quality PA system** for the building. This church is **3 stories tall** and often filled to capacity with those who gather there. Being able to hear what is being preached **anywhere in the building** would be a **tremendous blessing** for our brothers and sisters in Christ who attend.

If you or your church are interested in **partnering with Pastors Sukumar** and **Esther** in this purchase, let us know! The cost for a new PA system is **\$1,800** but the work it can accomplish is **priceless!**
